

Nell Irvin Painter **Standing at Armageddon**

The United States, 1877–1919

Standing At Armageddon The United States 1877 1919

David Mislin

Standing At Armageddon The United States 1877 1919:

Standing at Armageddon Nell Irvin Painter,1989 Standing at Armageddon is a comprehensive and lively historical account of America s shift from a rural and agrarian society to an urban and industrial society Nell Irvin Painter will be featured in the PBS multipart series The Progressive Era with Bill Moyers which coincides with the release of the updated edition of this acclaimed work

Standing At Armageddon Nell Irvin Painter,2008-03-25 A consistently engrossing occasionally irreverent always smoothly written history of America s painful entry into the modern age Kirkus Reviews Standing at Armageddon is a comprehensive and lively historical account of America s shift from a rural and agrarian society to an urban and industrial society Nell Irvin Painter will be featured in the PBS multipart series The Progressive Era with Bill Moyers which coincides with the release of the updated edition of this acclaimed work

Standing at Armageddon Nell Irvin Painter,1987 The story of the 42 year period in our history that ends with the termination of World War I

Standing at Armageddon Nell Irvin Painter,1989

Coxey's Army Benjamin F. Alexander,2015-05 Despite running a gauntlet of ridicule the marchers laid down a rough outline of what some forty years later emerged as the New Deal

Immigration, Incorporation and Transnationalism Elliott Robert Barkan,2017-07-05 Immigration Incorporation and Transition is an intriguing collection of articles and essays It was developed to commemorate the twenty fi fth anniversary of The Journal of American Ethnic History Its purpose like that of the Immigration and Ethnic History Society is to integrate interdisciplinary perspectives and exciting new scholarship on important themes and issues related to immigration and ethnic history

The Long American Revolution & Its Legacy Lester D. Langley,2019 This book brings together the author s personal and professional link to the long American Revolution in a narrative that spans more than 150 years and places the Revolution in multiple contexts from the local to the transatlantic and hemispheric and from racial and gendered to political social economic and cultural perspectives A descendant on his father s side from a long line of Kentuckians the author grew up torn between a father who embodied the Revolution s poor white male driven by economic self interest and racial prejudices and a devoted and pious mother who saw life and history as a morality play The author s intellectual and professional encounter with the American Revolution came in the 1960s as a young historian specializing in U S foreign relations and Latin American history an era when the U S encounter with the Cuban Revolution in the hemisphere and the civil rights movement at home served as reminders of the lasting and troublesome legacy of a long American Revolution In a sweeping narrative that incorporates both the traditional iconic literature on the Revolution and more recent works in U S Canadian Latin American Caribbean and Atlantic world history the author addresses fundamental questions about the Revolution s meaning and legacy

America in the Progressive Era, 1890-1917 Lewis L. Gould,Courtney Q. Shah,2021-03-14 Now in its second edition America in the Progressive Era 1890 1917 provides a readable analytical narrative of the emergence influence and decline of the spirit of progressive reform that animated American politics and culture around the turn of the twentieth century

Covering the turbulent 1890s to the American entry into World War I the text examines the political social and cultural events of a period which set the agenda for American public life during the remainder of the twentieth century This new edition places progressivism in a transatlantic context and gives more attention to voices outside the mainstream of party politics Key features include A clear account of the continuing debate in the United States over the role of government citizenship and the pursuit of social justice A full examination of the impact of reform on women and minorities A rich selection of documents that allow the historical actors to communicate with today s readers An extensive updated bibliography providing a valuable guide to additional reading and research Based on the most recent scholarship and written to be read by students this book will be of interest to students of American History and Political History

Becoming Citizens Gayle Gullett, 2000-02-07 In 1880 Californians believed a woman safeguarded the Republic by maintaining a morally sound home Scarcely forty years later women in the state won full fledged citizenship and voting rights by stepping outside the home to engage in robust activism Gayle Gullett reveals how this enormous transformation came about and the ways women s search for a larger public life led to a flourishing women s movement in California Though voters rejected women s radical demand for citizenship in 1896 women rebuilt the movement in the early years of the twentieth century and forged critical bonds between activist women and the men involved in the urban Good Government movement This alliance formed the basis of progressivism with male Progressives helping to legitimize women s new public work by supporting their civic campaigns appointing women to public office and placing a suffrage referendum before the male electorate in 1911 Placing local developments in a national context *Becoming Citizens* illuminates the links between women s reform movements and progressivism in the American West

Washington Gladden's Church David Mislin, 2019-09-06 This is the first significant book length biography in over 50 years of Washington Gladden a minister journalist and reformer whose message of religious liberalism came to define modern Protestantism in the United States Although largely forgotten today Gladden was one of the most well known pastors of his time and a leader of the social gospel and progressive movement Mislin chronicles Gladden s early years bristling against the culture of a pious small town in upstate New York his personal and family struggles during the Civil War and his eventual professional success that came by providing a religious message for a society struggling with skepticism about organized religion massive economic inequality rampant corporate malfeasance and widespread racial and religious bigotry Through this book Gladden s life emerges as both a model for the fusion of progressive political social and religious commitments as well as a cautionary tale of the potential perils for those who critique society from inside elite institutions

Making Whiteness Grace Elizabeth Hale, 2010-08-25 *Making Whiteness* is a profoundly important work that explains how and why whiteness came to be such a crucial embattled and distorting component of twentieth century American identity In intricately textured detail and with passionately mastered analysis Grace Elizabeth Hale shows how when faced with the active citizenship of their ex slaves after the Civil War white southerners re established their dominance

through a cultural system based on violence and physical separation And in a bold and transformative analysis of the meaning of segregation for the nation as a whole she explains how white southerners creation of modern whiteness was beginning in the 1920s taken up by the rest of the nation as a way of enforcing a new social hierarchy while at the same time creating the illusion of a national egalitarian consumerist democracy By showing the very recent historical making of contemporary American whiteness and by examining how the culture of segregation in all its murderous contradictions was lived Hale makes it possible to imagine a future outside it Her vision holds out the difficult promise of a truly democratic American identity whose possibilities are no longer limited and disfigured by race **Women Will Vote** Susan

Goodier,Karen Pastorello,2017-09-15 Women Will Vote celebrates the 2017 centenary of women s right to full suffrage in New York State Susan Goodier and Karen Pastorello highlight the activism of rural urban African American Jewish immigrant and European American women as well as male suffragists both upstate and downstate that led to the positive outcome of the 1917 referendum Goodier and Pastorello argue that the popular nature of the women s suffrage movement in New York State and the resounding success of the referendum at the polls relaunched suffrage as a national issue If women had failed to gain the vote in New York Goodier and Pastorello claim there is good reason to believe that the passage and ratification of the Nineteenth Amendment would have been delayed Women Will Vote makes clear how actions of New York s patchwork of suffrage advocates heralded a gigantic political social and legal shift in the United States Readers will discover that although these groups did not always collaborate by working in their own ways toward the goal of enfranchising women they essentially formed a coalition Together they created a diverse social and political movement that did not rely solely on the motivating force of white elites and a leadership based in New York City Goodier and Pastorello convincingly argue that the agitation and organization that led to New York women s victory in 1917 changed the course of American history

Suffragists in an Imperial Age Allison L. Sneider,2008-02-04 Suffragists in an Imperial Age demonstrates how seemingly disparate conversations about the physical boundaries of national territory and the generated boundaries of political space overlapped and inflected each other during post Civil War efforts to rebuild the nation in new terms This book argues that US expansion was crucial to the development of the post bellum US woman suffrage movement and shows how federal discussions of citizenship and voting rights in the context of creating territorial governments in the continental West and after the Spanish American War in the Caribbean and the Pacific created space on the Congressional calendar for suffragists to instigate debate on the woman question In the negotiation of global power relations across the twentieth century and into the present political rights for women continues to function as a marker of success for experiments in expanding democracy as well as a bargaining chip for reasserting some degree of political independence for men This book shows how by 1929 suffragists were on the verge of making women s voting rights an integral part of US colonial policy and adding votes for women to the list of markers symbolizing the achievement of civilization in US colonies The Art and Thought of John La

Farge Katie Kresser,2017-07-05 The Art and Thought of John La Farge Picturing Authenticity in Gilded Age America offers an unprecedented portrait of one of the most celebrated artists of the Gilded Age and opens a window onto nineteenth century American culture The book reveals how the work of John La Farge contributed to a rich philosophical dialogue concerning the trustworthiness of human perception In his struggle against a common truth of iconic symbols presented by a new mass visual culture La Farge developed a subversive approach to visual representation that focused attention not on the artwork itself but on the complex real encounter of artist subject and medium from which the artwork came Katie Kresser charts La Farge s efforts to assert his own reality his own intrinsic uniqueness in a postwar society that increasingly based personal identity on standardized vocational labels and economic productivity La Farge s work is contrasted with that of Kenyon Cox James Whistler and Henry Adams all of whom for La Farge had fallen prey to the crass new visual environment albeit in very different ways This innovative study suggests that La Farge dealt with issues still relevant in a world characterized by ubiquitous mass media and the proliferation of normative visions

Buffalo Bill's America Louis S. Warren,2007-12-18 William F Buffalo Bill Cody was the most famous American of his age He claimed to have worked for the Pony Express when only a boy and to have scouted for General George Custer But what was his real story And how did a frontiersman become a worldwide celebrity In this prize winning biography acclaimed author Louis S Warren explains not only how Cody exaggerated his real experience as an army scout and buffalo hunter but also how that experience inspired him to create the gigantic traveling spectacle known as Buffalo Bill s Wild West Show A dazzling mix of Indians cowboys and vaqueros they performed on two continents for three decades offering a surprisingly modern view of the United States and a remarkably democratic version of its history This definitive biography reveals the genius of America s greatest showman and the startling history of the American West that drove him and his performers to the world stage

Mobilizing for Modern War Paul A. C. Koistinen,1997 In this volume Koistinen examines war planning and mobilizing in an era of rapid industrialization and reveals how economic mobilization for defense and war is shaped at the national level by the interaction of political economic and military institutions and by increasingly powerful and expensive weaponry

Women in American History Peg A. Lamphier,Rosanne Welch,2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball

and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter *Race, Social Science and the Crisis of Manhood, 1890-1970* Malinda A. Lindquist, 2012 Black Social Science and the Crisis of Manhood 1890 1970 describes the young black male crisis why we are largely unfamiliar with the story of the black superman and why this matters to contemporary debates It does so by returning to the work of those original black social scientists to explore the ways in which they understood the challenges of black manhood offered substantive critiques of the nation s race class and gender systems and worked to construct a progression The careful study of their work reveals the centrality of gender to discussions of race and class and also new possibilities for understanding and discussing black men This book offers a look at pioneering black social scientists as well as a history of the changing perceptions ideals and shifting depictions of black and white manhood over nearly a century *City of Clerks* Jerome P. Bjelopera, 2010-10-01 Below the middle class managers and professionals yet above the skilled blue collar workers sales and office workers occupied an intermediate position in urban America s social structure as the nation industrialized Jerome P Bjelopera traces the shifting occupational structures and work choices that facilitated the emergence of a white collar workforce His fascinating portrait reveals the lives led by Philadelphia s male and female clerks both inside and outside the workplace as they formed their own clubs affirmed their whiteness and challenged sexual norms A vivid look at an overlooked but recognizable workforce City of Clerks reveals how the notion of white collar shifted over half a century *The Yanks Are Coming Over There* Dino E. Buenviaje, 2017-12-21 World War I was a global cataclysm that toppled centuries old dynasties and launched the American century Yet at the outset few Americans saw any reason to get involved in yet another conflict among the crowned heads of Europe Despite its declared neutrality the U S government gradually became more sympathetic with the Allies until President Woodrow Wilson asked Congress to declare war on Germany to make the world safe for democracy Key to this shift in policy and public opinion was the belief that the English speaking peoples were inherently superior and fit for world leadership Just before the war British and American elites set aside former disputes and recognized their potential for dominating the international stage By casting Germans as barbarians and spreading stories of atrocities the Wilson administration persuaded the public including millions of German Americans that siding with the Allies was a just cause

Standing At Armageddon The United States 1877 1919 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Standing At Armageddon The United States 1877 1919 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Standing At Armageddon The United States 1877 1919 has opened up a world of possibilities. Downloading Standing At Armageddon The United States 1877 1919 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Standing At Armageddon The United States 1877 1919 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Standing At Armageddon The United States 1877 1919. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Standing At Armageddon The United States 1877 1919. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Standing At Armageddon The United States 1877 1919, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Standing At Armageddon The United States 1877 1919 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Standing At Armageddon The United States 1877 1919 Books
