Standing On The Rock Biblical Authority In A Secular Age:

Standing on the Rock James Montgomery Boice,1997-01-23 **Standing on the Rock** James Montgomery Boice,1998-10-01 The author draws on the teachings of faithful expositors past and present personal testimony and Scripture to support the infallibility of God's Word This timely work provides the answers you need to be an effective witness and also is an essential guide for seekers and new believers **God's Word Alone---The Authority of Scripture** Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Reformed Theology R. Michael Allen,2010-09-02 Introduces Reformed theology by surveying the doctrinal concerns that have shaped its historical development **Are you a Full Gospel Christian?** , *Bound Only Once* Douglas Wilson,2001 Open Theists like to picture the God of classical Christian theism as a distant despotic micro managing sovereign The god of Open theism on the other hand is ready to enter into new experiences and to become deeply involved in helping us cope as we with him face things we simply did not know would happen They insist that God has knowledge but not all knowledge certainly not knowledge of the future acts of free beings Such Open theistic inferences reveal a deep seated devotion to Enlightenment categories and narrow unpoetic imaginations **Antiochene Theoria in the Writings of Theodore of Mopsuestia and Theodoret of Cyrus** Richard J. Perhai,2015-03-01 Biblical scholars have often contrasted the exegesis of the early church fathers from the eastern region and school of Syrian Antioch against that of the school of Alexandria The Antiochenes have often been described as strictly historical literal exegetes in contrast to the allegorical exegesis of the

Alexandrians Patristic scholars now challenge those stereotypes some even arguing that few differences existed between the two groups This work agrees that both schools were concerned with a literal and spiritual reading But it also tries to show through analysis of Theodore and Theodoret s exegesis and use of the term *theoria* that how they integrated the literal theological readings often remained quite distinct from the Alexandrians For the Antiochenes the term *theoria* did not mean allegory but instead stood for a range of perceptions prophetic christological and contemporary It is in these insights that we find the deep wisdom to help modern readers interpret Scripture theologically

Renewing Your Mind in a Mindless World James Montgomery Boice,2001 Written by the James Montgomery Boice this practical guide to personal application of Romans 12 1 2 to daily life will radically change not only how you see the world it will change how you live Step away from the trends of mainstream culture and follow a narrow but rewarding path to the transformation of your mind and life These principles for discerning and following God s will are perfect for meaningful group discussion or life changing personal reading

What is Reformed Theology? R. C. Sproul,2005-06 Few evangelical Christians today understand Reformed theology even though it has become an immensely influential theological tradition Recognizing only key terms relating to predestination or the five points many Christians want a better explanation of the concepts and beliefs that make up a Reformed perspective What is Reformed Theology is an introduction to a doctrine that has eluded so many evangelical Christians And who better to teach about Reformed theology than R C Sproul In thoroughly expounding the foundational doctrines and five points Sproul asserts the reality of God s amazing grace For anyone wanting to know more about Reformed theology this candid book offers a coherent and complete introduction to an established belief Previously published as *Grace Unknown*

Vinculum Amoris David T. Williams,2004-05-11 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord s Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author s prayer is that this book will do just that for God s people and for his Church

Whatever Happened to The Gospel of Grace? James Montgomery Boice,2009-04-01 Combines a serious examination of the state of today s church and a powerful solution reclaiming the gospel of grace found in the confessional truths of the Reformation Though the Christian church has achieved a worldly sort of success big numbers big budgets big outreaches these are not good days for evangelicalism Attendance is down and it is increasingly difficult to distinguish so called believers from their non Christian neighbors all because the gospel of grace has been neglected In this work now in paperback the late James Montgomery

Boice identifies what's happened within evangelicalism and suggests how the confessional statements of the Reformation Scripture alone Christ alone grace alone faith alone and glory to God alone can ignite full scale revival A church without these convictions has ceased to be a true church whatever else it may be he wrote but if we hold to these doctrines our churches and those we influence will grow strong *Christ's Call to Discipleship* James Montgomery Boice,1998 Boice describes what it means to live a life of true discipleship recognizing Christ's dominion not only as Savior but also as Lord Popular radio speaker author and pastor James Montgomery Boice describes what it means to live a life of true discipleship recognizing Christ's dominion not only as Savior but also as Lord Dr Boice explores the meaning path cost and rewards of being a true disciple As the author asserts in the preface I believe that if America could produce a generation of Christians who genuinely affirm and live by these teachings A Study of the Ten Articles of Faith of the Presbyterian Church of India Rosiamliana Tochwang,2007 Study conducted in Mizoram India *Here We Stand* James Montgomery Boice,Benjamin E. Sasse,1996 Recovering the truth means restoring the Bible to its rightful place of supreme authority in the individual and public lives of Christians Evangelical Christians are called by this volume to stand as a Christian community against the erosion of Scripture's place as a source of truth The writers are founding members of an Alliance of Confessing Evangelicals an organization dedicated to setting the Bible's integrity as first priority in an era of societal disintegration *Psalms* James Montgomery Boice,1994 Psalms An Expositional Commentary accents the spiritual riches of the Psalter and establishes the point of convergence between the modern reader and the ancient songs of God's people It is written for personal meditation and for fruitful teaching and preaching Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Claves Biblicas No. 6- Respuestas Bíblicas a cuestiones Espirituales* , Somente a Escritura Matthew M. tantos séculos Os luteranos e os católicos romanos já não se uniram publicando uma declaração de unidade Ou como Mark Noll pergunta A Reforma acabou Neste livro pequeno mas de profunda reflexão Michael Horton pergunta se os evangélicos podem ser considerados católicos e se os católicos romanos podem ser considerados evangélicos Em seis breves capítulos ele ajuda o leitor a navegar por essas águas turbulentas chegando à conclusão de que não apenas a Reforma foi necessária há quinhentos anos mas que este debate ainda é importante e válido para os dias atuais
