## **Standing Naked New And Selected Poems:**

*Standing Naked* Jim Heynen, 2001 Jim Heynen's poems resonate with the same sense of mystery and humor that characterize his famous tales. In one poem he writes of a tornado that transforms a sow into a goddess; in another he gives us a witty discussion of eternity. He reminds us what it is like to fall in and out of love, to live with children, to work with our hands, painting the house, putting in a window, building a cradle. But perhaps Heynen's most precious gift to readers of this book is his special ability to evoke the wonders of creation: those first three minutes of life for a newborn piglet or the absolute awe and terror we feel beholding the approach of a lightening storm. Divided about equally between the very best poems from his previous collections and new poems written over the last decade, Heynen's book speaks with an authority and maturity that can only come with age. These are poems that celebrate contemporary life but with a decidedly midwestern and rural sensibility. Ordinary Sins Jim Heynen, 2014-10-20

From a bar hosting its nightly Sad Hour to the moonlit sandbox of a retired army general, Jim Heynen's new collection of micro-fiction presents character sketches of strange yet fascinating men and women. Modeled after Theophrastus' Characters, brief verbal snapshots of people created by the Greek philosopher, Heynen captures not just the quirks and eccentricities of his characters but also their humanity. Guilty of only ordinary and forgivable sins, these sketches reveal universal human idiosyncrasies as much as they do the individual characters. Paired with the wonderfully evocative illustrations of renowned illustrator Tom Pohrt, *Ordinary Sins* will appeal to story lovers and collectors of beautifully made books alike. **The Fall of Alice K.** Jim Heynen, 2012-09-18 Seventeen-year-old Alice Marie Krayenbraak is beautiful, witty, a star student, and a gifted athlete. On the surface, she has it all. But in Alice's hometown of Dutch Center, Iowa, nothing is as it seems. Behind the facade of order and tidiness, the family farm is failing. Alice's mother is behaving strangely amid apocalyptic fears of Y2K. And her parents have announced their plans to send her special needs sister Aldah away. On top of it all, the uniformly Dutch Calvinist town has been rattled by an influx of foreign farm workers. It's the fall of senior year, and Alice now finds herself at odds with both family and cultural norms when she befriends and soon falls in love with Nickson Vang, the son of Hmong immigrants. Caught in a period of personal and community transformation, Alice and Nickson must navigate their way through vastly different traditions while fighting to create new ones of their own. Funny and provocative, amusing and unsettling, *The Fall of Alice K.* marks a watershed moment in the publishing career of author Jim Heynen.

Rooted David R. Pichaske, 2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades. In *Rooted*, by paying close attention to text, landscape, and biography, he examines the relationship between place and art. His focus is on seven midwestern authors who came of age toward the close of the twentieth century: their lives and their work grounded in distinct places. Dave Etter in small town upstate Illinois; Norbert Blei in Door County, Wisconsin; William Kloefkorn in southern Kansas and Nebraska; Bill Holm in Minneota, Minnesota; Linda Hasselstrom in Hermosa, South Dakota; Jim Heynen in Sioux County, Iowa; and Jim Harrison in upper Michigan. The writers' intimate

knowledge of place is reflected in their use of details of geography language environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought jazz music and formalism in the case of Etter gender issues in the case of Hasselstrom time past and present in the case of Kloefkorn ethnicity and the role of the artist in the case of Blei magical realism in the case of Heynen the landscape of literature in the case of Holm and the curious worlds of academia best selling novels and Hollywood films in the case of Harrison The result Pichaske notes is the growing away from roots the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer s art the complexity it needs to transcend provincial boundaries Quoting generously from the writers Pichaske employs a practical jargon free literary analysis fixed in the text making Rooted interesting readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades

*The Collected Poems of Ai* George C. The Cambridge Companion to

Twentieth-Century British and Irish Women's Poetry Jane Dowson, 2011-03-17 This Companion provides new ways of reading a wide range of influential women's poetry. Leading international scholars offer insights on a century of writers drawing out the special function of poetry and the poets' use of language whether it is concerned with the relationship between verbal and visual art, experimental poetics, war, landscape, history, cultural identity, or confessional lyrics. Collectively, the chapters cover well-established and less familiar poets from Edith Sitwell and Mina Loy through Stevie Smith, Sylvia Plath, and Elizabeth Jennings to Anne Stevenson, Eavan Boland, and Jo Shapcott. They also include poets at the forefront of poetry trends such as Liz Lochhead, Jackie Kay, Patience Agbabi, Caroline Bergvall, Medbh McGuckian, and Carol Ann Duffy. With a chronology and guide to further reading, this book is aimed at students and poetry enthusiasts wanting to deepen their knowledge of some of the finest modern poets.

Eco-man Mark Christopher Allister, 2004 Many canonical literary works look to the wild as the site for establishing a man's selfhood. But nature is just as often subjected to his most violent displays of mastery. This tension lies at the heart of *Eco Man*, which brings together two rapidly growing fields: men's studies and ecocriticism.

Light Me Down: The New & Collected Poems of Jean Valentine Jean Valentine, 2024-04-09 Multi-award winner including a National Book Award, Jean Valentine published twelve full-length collections of poetry during her lifetime, and all of them, plus an entirely new unpublished manuscript, can be found in this masterful collection of her life's work. The new poems acknowledge the inevitability of death while tenderly musing on what remains from a world left behind. The poems have an intricate balance between the sadness of a life lived and illuminating how the remaining love is steadfast, irreversible, and abiding even as we transcend from this earth. In her later years, Jean would write poems on napkins, random scraps of paper, and even on a typewriter, and those close to her would collect these writings and transcribe them into a Word document so they wouldn't be lost. Even Jean's therapist transcribed a poem that she spoke in one of their sessions, a poem that can be found in this new work. Jean was always writing poetry wherever inspiration struck her, even through the struggle of her declining health. It was Jean's wish that her work landed back at her first home, Alice James Books, back to her origin point as a writer, coming full circle. In these last prayerful poems, the poet visits loss, death, and transitional states. Full of longing, connections, and intergenerational knowledge, Valentine continues the mystical journey that has carried her through a lifetime devoted to poetry. Spirits connect. Guides are everywhere as she is leaving all worlds behind. Love doesn't disappear but is steadfast and without boundaries. A poet of deep tenderness for everything living, from a dying cricket to her living and lost friends, Valentine is full of gratitude for this world, writing, "This is happiness. Old life. I'm glad all my rubbed life I was found. I was written on a wall in air." The reader, too, is full of gratitude for these moving last missives from a great poet. Ada Limón states, "The extraordinary poems of Jean Valentine have often existed in the between spaces: the caves, the secret rooms."
