Standish O'Grady:

Standish O'Grady Standish O'Grady, 1910 **The Shattered Worlds of Standish O'Grady** Christopher Boettcher, 2019 Standish O'Grady 1846-1928 is best remembered as the Father of the Irish Literary Revival. Critics of his work have long puzzled over the turns and contradictions of the Fenian unionist's thinking. This book offers an intellectual biography of O'Grady, tracing the tortuous development and influence of his ideas. It presents a new study of O'Grady's early historical and political works and for the first time a comprehensive overview of O'Grady's writing for the *All Ireland Review*. He edited the review between 1900 and 1907, the most prolific period of his writing life. This writing led O'Grady into many curious schemes, culminating in his turn to anarchism and promotion of Estates of the New Order, a plan to build communes in the Irish countryside. The portrait of the enigmatic writer contextualizes his role in the rise of Irish nationalism and explores the complexities of political and social affiliations during the first formative decade of the twentieth century. *The Genealogy of the Existing British Peerage and Baronetage* Edmund Lodge, 1859 *Official Summary of Security Transactions and Holdings* United States Securities and Exchange Commission, 1991 *Selected Essays and Passages* Standish O'Grady, 1918 *Official Summary of Security Transactions and Holdings Reported to the Securities and Exchange Commission Under the Securities Exchange Act of 1934 and the Public Utility Holding Company Act of 1935*, 1991
