Books Out Loud ,2007 **School Library Journal** ,2006 **Gaudeamus Information** ,2002 Houston Bound Tyina L. Steptoe,2015-11-03 Beginning after World War I Houston was transformed from a black and white frontier town into one of the most ethnically and racially diverse urban areas in the United States Houston Bound draws on social and cultural history to show how despite Anglo attempts to fix racial categories through Jim Crow laws converging migrations particularly those of Mexicans and Creoles complicated ideas of blackness and whiteness and introduced different understandings about race This migration history also uses music and sound to examine these racial complexities tracing the emergence of Houston s blues and jazz scenes in the 1920s as well as the hybrid forms of these genres that arose when migrants forged shared social space and carved out new communities and politics This interdisciplinary book provides both an innovative historiography about migration and immigration in the twentieth century and a critical examination of a city located in the former Confederacy **New York Magazine** ,1982-09-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Pure-bred Dogs, American Kennel Gazette ,1968-12 **Hi Fi/stereo Review** ,1966-07
