Star People:

Mark of the Star People Nancy MacDonald, 2021-09-03 Just north of Detroit in a 1960 s neighborhood a group of kids Ted Natalie Mitch Greg and Jim make a promise never to reveal how they write their secret messages As they grow up they remain friends throughout their lives They stand up for each other s weddings and attend the birthday parties of each other s children However on the fiftieth anniversary of having met on Matthew Street their childhood promise results in them being recruited by the CIA for a deadly mission which will test their friendships to the breaking point The CIA has discovered that the pope is missing and has been replaced by an extraterrestrial imposter However that is top secret information and only those on a need to know basis are privy to it The U S Government cannot be involved so they enlist a third party to be the face of their operation The Matthew Street Gang is charged with the task to eliminate the imposter and close the portal above First Nation Ridge in Arizona But when several people go missing and everything points to the Vatican observatory three Apache scouts get involved and the life long friends must finally recognize the true identity of their enemies or die

The Leak

Robert P. Crease, 2022-10-25 How the discovery of a harmless leak of radiation sparked a media firestorm political grandstanding and fearmongering that closed a vital scientific facility In 1997 scientists at Brookhaven National Laboratory found a small leak of radioactive water near their research reactor Brookhaven was and is a world class Nobel Prize winning lab and its reactor was the cornerstone of US materials science and one of the world's finest research facilities The leak harmless to health came from a storage pool rather than the reactor But its discovery triggered a media and political firestorm that resulted in the reactor's shutdown and even attempts to close the entire laboratory A quarter century later the episode reveals the dynamics of today's controversies in which fears and the dismissal of science disrupt serious discussion and research of vital issues such as vaccines climate change and toxic chemicals This story has all the elements of a thriller with vivid characters and dramatic twists and turns Key players include congressmen and scientists journalists and university presidents actors supermodels and anti nuclear activists all interacting and teaming up in surprising ways The authors each with insider knowledge of and access to confidential documents and the key players reveal how a fact of no health significance could be portrayed as a Chernobyl like disaster This compelling expos reveals the gaps between scientists politicians media and the public that have only gotten more dangerous since 1997 Peter Bond is a retired physicist who worked at Brookhaven National Laboratory for 43 years in a wide variety of roles including interim laboratory director during much of the period covered by this book

Moonstruck Echoes

Pasquale De Marco, In the realm where the moon casts its silvery glow and stars twinkle like celestial diamonds there lies a book that invites you on a transformative journey of self discovery and cosmic exploration Immerse yourself in the pages of Moonstruck Echoes where the mysteries of the universe intertwine with the echoes of the past the shadows of the present and the boundless possibilities of the future Embark on a voyage of introspection delving into the hidden depths of your own heart and mind Seek solace and inspiration amidst the vastness of the cosmos confronting your fears embracing your vulnerabilities and discovering the resilience that lies within Let the moon with its ever changing phases guide you through the cyclical nature of life reminding you to embrace both light and darkness Explore the enigmatic realm of extraterrestrial life ponder the wisdom of ancient civilizations and contemplate the interconnectedness of all things The universe in its infinite expanse challenges our preconceived notions of reality and opens our eyes to the boundless possibilities that lie beyond our earthly realm Written with lyrical prose and profound insights Moonstruck Echoes is an invitation to reconnect with the wonders of the universe Find solace in the vastness of space embrace the beauty of the unknown and discover a piece of yourself you never knew existed This book is a celestial tapestry woven with tales of wonder resilience and the boundless potential that lies within each of us It is a journey of self discovery a meditation on the mysteries of the universe and an exploration of the human spirit's capacity for awe and wonder

As you delve into Moonstruck Echoes you will find yourself transported to a realm where the ordinary becomes extraordinary and the impossible becomes a possibility Let the moon the stars and the infinite wisdom of the universe guide you on this transformative odyssey where you may just find a piece of yourself that you never knew existed If you like this book write a review *The Timeline of Intelligent Life on Earth* Martin K. Ettington,2022-09-06 I m fascinated with Ancient History because there are continuous new discoveries which push back the dawn of civilization by thousands of years In the last couple of decades the discoveries at Gobekli Tepe in eastern Turkey pushed back man made structures to the time period of 9 000 11 000 B C Thousands of years before the next know civilizations existed This book includes my research on ancient sites around the world underground structures giants the destruction of civilization about 10 500 B C the real Atlantis and out of place objects which can be millions of years old With this collection of a wide variety of information I decided that what is needed is a full timeline of intelligent life on Earth from millions of years ago to the present There are a lot of gaps in this information but enough records findings and discoveries exist to propose an initial timeline of intelligent life on Earth going back hundreds of millions of years Yes I m saying intelligent life has existed on Earth that long and since humanity and even primates don t exist in those times at all aliens must have lived on the Earth at that time There are three parts to this book Part One Millions of Years Ago This includes stories of aliens existing on Earth in our history and many out of place objects made by intelligent beings and the fossil record which provides supporting evidence that intelligent life did exist at those times Part Two The Unknown Civilizations of Man Here we have evidence of structures built by man but way before any accepted records that civilization or man made constructions existed Some of these things may go back 100 000 years ago Part Three Post Ice Age Civilizations This part includes evidence that the Younger Dryas event was actually comets striking the Earth which caused major disasters and probably the destruction of civilizations about 10 500 B C My intention is that this timeline will provide a skeleton of mankind and intelligent life s early history on Earth which can be filled in overtime to become much more detailed and prove the truth of this point of view to skeptics worldwide **Sarai, High Priestess of Ur:**

the Journey R. E. Joyce,2010-05-24 If you enjoyed The Red Tent you will likely also enjoy Sarai High Priestess of Ur as this story unfolds the hidden early life of the first matriarch of Genesis and her journey towards her destiny The Bible defines Sarah as the obedient wife of the Patriarch Abraham The jewish priests who wrote Genesis more than a thousand years after Sarah allegedly lived defined her role for her in accordance with their beliefs But some scholars believe that Sarah was a priestess not only a priestess but a high priestess serving the Goddess Inanna in the temple at Ur This novel presents Sarah as the High Priestess who celebrates the Sacred Marriage ritual with kings and pharaohs to confirm their right to rule But an adventurous journey begins when Sarah rejects the sacred laws of Ur s priesthood and she must flee for her life

Revelations of the Watchers Timothy Wyllie,2021-07-27 Explains how the new Atlantis was rebuilt using ancient Lemurian construction techniques and how Poseidon was put in charge by nefarious Prince Caligastia Explores the rise of

shamanism the hidden history of Akhenaten and the privileged role of the Yazidi people in the spiritual evolution of the planet Exposes how our planet is one of the worlds on which the rebel angels have been the accorded the privilege of a mortal incarnation During the angelic rebellion 203 000 years ago which led to the quarantine of Earth and 36 other planets from the Multiverse Georgia an angel of Seraphic status aligned herself with Lucifer and the rebel angels After the rebellion Georgia was permitted to remain on this planet and become a Watcher Writing together with Timothy Wyllie in this book Georgia provides her personal account of Earth during the second rise of Atlantis Georgia explains how the new Atlantis was home to the few surviving Lemurians and was rebuilt using ancient Lemurian construction techniques She reveals how Prince Caligastia put Poseidon in charge of the new Atlantis in order to keep him from interfering with the Prince s imposition of monotheism in southern Palestine She explores the rise of shamanism through the entheogenic use of power plants first on the Islands of Mu then in the Nile Valley and later among the Aborigines of Australia She also looks at the hidden history of Pharaoh Akhenaten and the privileged role of the Yazidi people in the spiritual evolution of the planet and how even today the attempts to extinguish their culture is the work of Caligastia s agents Interwoven with Georgia s narrative of Earth s ancient history are her observations of Timothy Wyllie s current and previous lives including his involvement with the Process Church his struggle to leave it and his spiritual activities after he left Through her revelations Georgia exposes the supreme significance of Earth in the larger Multiverse and how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation Georgia shares her words in part to awaken the 100 million rebel angels currently living their human lives She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of consciousness as the rebel held planets including Earth are welcomed back into the Multiverse
