**Guide to Good Story** Benjamin Logan Hudgins,2022-09-02 In the 21st century the companies that make stories seem increasingly uninterested in providing a satisfying product to what they see as an audience of captive fans To free you from captive fandom the Guide to Good Story will show you how the value of a story comes from Three Dimensions The first dimension is appeal which describes the value stories provide by stimulating our emotions and providing us with the kinds of experiences that we want to have The second is quality which describes how well or poorly a story provides the elements our brain needs to generate and maintain the suspension of reality The third dimension context describes how factors outside of a story shape it and create value within the story You will then learn how to use the three dimensions together to become an aficionado someone who uses the Three Dimensions to find good stories for themselves **Spy** ,1995-11 Smart Funny Fearless

It s pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump *Voodoo River* Robert

Crais,2013-07-16 Elvis Cole finds himself deep in the bayou of Louisiana searching for the estranged parents of a television star but something deadly is looking for him L A private eye Elvis Cole is hired by popular television star Jodie Taylor to delve into her past and identify the biological parents who gave her up for adoption thirty six years before Cole s assignment is to find out their biological history and report back It seems all too clear cut But when he gets to Louisiana and begins his search he finds that there s something much darker going on Other people are also looking for Taylor s parents and some are ending up dead And when Cole realizes that his employer knew more than she was telling *Voodoo River* becomes a twisting tale of identity secrets and murder **Typeset in the Future** Dave Addey,2018-12-11 A designer s deep dive into seven science

fiction films filled with gloriously esoteric nerdery and observations as witty as they are keen Wired In Typeset in the Future blogger and designer Dave Addey invites sci fi movie fans on a journey through seven genre defining classics discovering how they create compelling visions of the future through typography and design The book delves deep into 2001 A Space

Odyssey Star Trek The Motion Picture Alien Blade Runner Total Recall WALL E and Moon studying the design tricks and inspirations that make each film transcend mere celluloid and become a believable reality These studies are illustrated by film stills concept art type specimens and ephemera plus original interviews with Mike Okuda Star Trek Paul Verhoeven Total Recall and Ralph Eggleston and Craig Foster Pixar Typeset in the Future is an obsessively geeky study of how classic sci fi movies draw us in to their imagined worlds     *Justice and Popular Culture* George A. Gonzalez, 2019-07-18 This book examines how the Star Trek franchise does more than reflect and depict the political currents of the times Gonzalez argues that Star Trek also presents an argument as to what constitutes a just stable thriving society By analyzing Star Trek this book argues that in order to obtain true democracy and justice the productive forces of society must be geared toward achieving a thriving society the whole individual and the environment This dialectic is consonant with the notions of revolutionary change progress postulated by Karl Marx and examined within this text The book concludes that the only way to hope to avoid a planetary cataclysm is through justice more specifically communism as a concept of justice
