

The background of the entire image is a dark night sky. In the upper right corner, there is a single, bright white star. Below the title, several blue spotlights are shown as beams of light shining down onto a cityscape. The cityscape is composed of numerous rectangular buildings, some of which are illuminated with a greenish-yellow light, suggesting windows or streetlights. The overall scene is a stylized representation of a city at night, possibly Hollywood, given the title.

McGann,Anne Lake Prescott,Barry V. Qualls,Claire Waters,2009-08-21 In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light Fully grounded in sound literary and historical scholarship the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race gender class and sexual orientation It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background It features accessible and engaging headnotes for all authors extensive explanatory annotations throughout and an unparalleled number of illustrations and contextual materials offering additional perspectives both on individual texts and on larger social and cultural developments Innovative authoritative and comprehensive The Broadview Anthology of British Literature embodies a consistently fresh approach to the study of literature and literary history The second edition of volume one of The Broadview Anthology of British Literature includes considerably more of Langland s *Pier s Plowman* than appears in the first edition and includes for the first time the work of John Gower Also new to the bound book component of the anthology is the York Crucifixion Play and additional work by Chaucer With this volume as with the others material continues to be added on an ongoing basis to the website component of the anthology      *The Psalms* Carl Moll,2023-03-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      *A Commentary on the Holy Scriptures: Psalms* Johann Peter Lange,1872      *A Commentary on the Holy Scriptures* Johann Peter Lange,1872      *The Anglican Pulpit Library* ,1900      **The Art of Photoplay Making** Victor Oscar Freeburg,1918 Met ind Ook aanwezig als facsimile herd'r New York Arno etc 1970 283 18 p ill 22 cm Literature of cinema The ISBN 0 405 01612 3 ISBN 0 404 1600 X complete set      **Old English Poetry: An Anthology** R.M. Liuzza,Joseph Black,Leonard Conolly,Kate Flint,Isobel Grundy,Don LePan,Jerome J. McGann,Anne Lake Prescott,Barry V. Qualls,Claire Waters,2014-03-26 R M Liuzza s Broadview edition of *Beowulf* was published at almost exactly the same time as Seamus Heaney s in reviewing the two together in July 2000 for *The New York Review of Books* Frank Kermode concluded that both translations were superior to their predecessors and that it was impossible to choose between the two the less celebrated translator can be matched with the famous one he

wrote and Liuzza's book is in some respects more useful than Heaney's. Ever since the Liuzza Beowulf has remained among the top sellers on the Broadview list. With this volume readers will now be able to enjoy a much broader selection of Old English poetry in translations by Liuzza. As the collection demonstrates the range and diversity of the works that have survived is extraordinary from heartbreaking sorrow to wide-eyed wonder from the wisdom of old age to the hot blood of battle and to the deepest and most poignant loneliness. There is breathless storytelling and ponderous cataloguing; there is fervent religious devotion and playful teasing. The poems translated here are meant to provide a sense of some of this range and diversity; in doing so they also offer significant portions of three of the important manuscripts of Old English poetry: the Vercelli Book, the Junius Manuscript, and the Exeter Book.     *The Lone Hand: May-October 1909*, 1909     *The Photographic Studios of Europe* Henry Baden Pritchard, 1882     **The Studios of Europe** Henry Baden Pritchard, 1882     **The Birth of Stars and Planets** John Bally, Bo Reipurth, 2006-08-24 Publisher description     **Physical Culture** Bernarr Macfadden, 1903

**Lange's Commentary on the Holy Scripture, Volume 3** Lange, John Peter, All sixty-three of the original volumes are included in a nine-volume set. There are two linked indexes in this volume: a main index at the front of this volume that will take you to the beginning of each of the books of the Bible, and another index at the beginning of each book where there is a linked scripture index leading to the particular subject. Lange's Commentary on the Old and New Testaments translated, revised, edited, and enlarged from the German editions of John Peter Lange and many contributors and edited by Philip Schaff. Lange's Commentary on the entire Bible has remained one of the most useful and valuable works of its kind. It is conservative in theology and universal in hermeneutics. Delmarva Publications is proud to make it available in digital format. The original work was completed in 63 volumes, but we have made it available in 9 volumes: Volume 1: Genesis to Ruth; Volume 2: 1 Samuel to Esther; Volume 3: Job to Ecclesiastes; Volume 4: Song of Songs to Lamentations; Volume 5: Ezekiel to Malachi; Volume 6: Matthew to John; Volume 7: Acts to 2 Corinthians; Volume 8: Galatians to 2 Timothy; Volume 9: Titus to Revelation.     **Nature** Sir Norman Lockyer, 1908     **A New Analysis of Chronology** William Hales, 1811
