Simpson, 2025-05-06 The new paperback edition of this excellent illustrated history includes additional information about recent developments up to 2025 The Kelowna Story is a comprehensive full length history of the largest metropolitan centre outside BC s Lower Mainland a labour of love by a leading local historian whose family roots have been entwined with Kelowna s for five generations It embraces the full sweep of central Okanagan history starting with the days of the S Ooكانhkchinx who enjoyed a largely peaceful existence along the shores of the lakes and rivers before the earliest explorers came to trade followed by Father Pandosy and his Okanagan Mission in 1859 It was the mission that attracted Kelowna s first homesteaders soon followed by cattle ranchers and orchardists and much later by the empire builders like the Bennett family who paved the way for today s budding metropolis Author Sharron J Simpson believes history is best told through the stories of ordinary people while allowing today s readers may not think it ordinary to walk over mountain ranges to collect mail or consider it ordinary to climb into a narrow irrigation pipe to scrape the rust off the inside as it runs up and down the hillsides or to row freight from one end of Okanagan Lake to the other In their time she writes those who did extraordinary things were simply doing what needed to be done to get ahead Their stories are fascinating and tell of the remarkable investment early settlers made in this community Simpson tells the story of her hometown with an attention to detail and a passion for narrative that bespeaks her own considerable talent and deep commitment **Wisconsin Library Bulletin** , 1953 **Dreams of a Farmer's Wife** Jeanette Dyess Ryan, 2011-11 True stories of a city man from Kentucky who came to rural Alabama where he married a country girl in the 1950 s His heart s desire was to own a few acres of land and become a farmer even though his spouse never desired to be a A Farmer s Wife However she toiled alongside her husband and children as she held fast to her dreams of someday building her dream house Jeanette fondly looks back on the years when the rains came the crops flourished and the market prices were advantageous During those years her family felt as if the hard labor and long hours paid off Life on the farm was demanding with little time for family vacations but her children lived life to the fullest as they discovered adventures on the farm by chasing lightning bugs walking through the fresh plowed dirt riding horses and fishing the

creeks Having walked in the farmer s wife s shoes during productive times and also during times of adversity and crop failures the author understood her neighbor s pain and tears when their family homes and farm land went into foreclosure She realized that if not for the grace of God it could have been their home their property She recalls gazing at a field of corn stalks drying because of drought and praying for rain as she searched the sky for a tiny dark rain cloud Her family endured the lean years along with the productive years Starting their life together with nothing God met their needs and later blessed their farming endeavors They lived the American dream of owning a few acres in the country to farm and a new home to enjoy The Singer/Random House Literature Series: Busy harbors William J.
