This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided followed by a brief look at each episode. Air date, guest stars, sketches performed, and a listing of songs featured are included. **The Religious Art of Andy Warhol** Jane D. Dillenger, 2001-02-01. Two images of Andy Warhol exist in the popular press: the Pope of Pop of the Sixties and the partying, frightened Andy of the Seventies. In the two years before he died, however, Warhol made over 100 paintings, drawings, and prints based on Leonardo da Vinci's *The Last Supper*. The dramatic story of these works is told in this book for the first time. Revealed here is the part of Andy Warhol that he kept very secret: his lifelong church attendance and his personal piety. Art historian and curator Jane Daggett Dillenger explores the sources and manifestations of Warhol's spiritual side, the manifestations of which are to be found in the celebrated paintings of the last decade of Warhol's life: his Skull paintings, the prints based on Renaissance religious artwork, the Cross paintings, and the large series based on *The Last Supper*. **Thank Your Lucky Stars: The 60's Pop Show Featuring The Kinks, The Beatles And The Rolling Stones** Kevin Mulrennan, Fully revised and expanded, this history of the influential 1960s pop show contains a wealth of facts, information, and trivia on ABC's *Lucky Stars*, a weekly pop show that ran from 1961 to 1966. The Beatles, the Kinks, and the Rolling Stones were among the many hundreds of artists that travelled up the M1 to the Alpha studios in Birmingham to appear on the show. Chapters in the book deal with the history of the show, an analysis of the surviving episodes, a detailed look at a rare surviving script, a discussion of the crew books and records, the artists who appeared from 1961 to 1966, and the songs they performed, and the Australian version of the show. Fully illustrated throughout, there are many references to how the show was reported in the UK press. Original host and television and radio legend Pete Murray has very kindly written the foreword. Pete says: *Thank Your Lucky Stars* was a pleasant and easy programme to work on. We were given plenty of freedom to play whichever songs we wanted. The big difference between *Thank Your Lucky Stars* and *Top of the Pops*: *Lucky Stars* was not driven by the charts; we had the complete freedom to play whatever we wanted. I remember meeting The Springfields on the show, and I really enjoyed working with them, what a lovely group of people, really friendly. *Thank Your Lucky Stars* was a great sixties TV show that has been sadly neglected in the archives. In recent years, I am delighted that Kevin Mulrennan has brought out this long overdue book. I'd like to say that not just on behalf of myself but also on behalf of all the others who worked on that lovely show. Pete Murray, *Thank Your Lucky Stars* presenter and original host of *Top of the Pops*. *Thank Your Lucky Stars* was unique in that it straddled the pre and post Beatles era of British pop music. There are brief biographies of all the artists appearing on the show, as well as the guest Disc Jockeys. In addition to the main hosts Pete Murray, Keith Fordyce, Brian Matthew, and Jim Dale, I have discovered that John Benson, Martin Locke, Simon Dee, and Don Moss introduced the show too. Fans and performers alike recall their memories of this super show. Hopefully, this book will raise the profile of this forgotten gem of 1960s British television, and you'll be thanking your lucky stars you bought it. **Television Program Master Index** Charles V. America's Playground Atlantic City Atlantic City has worn the tag of America's Playground since its earliest days so it is only natural that its biggest and most well known icon the Steel Pier would be known as the Showplace of the Nation Over the course of 80 years from 1898 to 1978 Steel Pier developed from a quiet genteel amusement that featured light classical music and cakewalks to a vast entertainment complex that offered movies big name vaudeville acts exhibits big bands rock bands and the Water Circus with its famed diving horse What makes this even more compelling is that one could spend the entire day on the pier and take all of this in for one small admission fee **Investigating Art, History, and Literature**
