## **Starfist Blood Contact Iv Starfist 4:**

**Starfist: Blood Contact** David Sherman, Dan Cragg, 2002-01-08 Through three centuries of interstellar travel intelligent alien life forms had never been encountered until now When a scientific team exploring an obscure planet fails to make its regular communications check the Marines of third platoon are sent to investigate They prepare for a routine rescue operation but what they find on Society 437 is a horror beyond description Only a handful of ragtag pirates who were in the wrong place at the very worst time have survived and there is little trace of the scientists What happened to the scientists Why have the pirates been spared Gunnery Sergeant Bass and the men of third platoon are about to find out and the answer carries a terrifying implication for the Marines and the entire human race      **Kingdom's Fury** David Sherman, Dan Cragg, 2003 A lethal new special ops unit has joined Starfist On the newly colonized planet Haulover someone or something is destroying isolated farmhouses When the Confederation receives a desperate plea for help it s time to send in the Marines Original      **Demontech: Onslaught** David Sherman, 2002-01-29 The diabolic armies appear invincible but they haven t met the Marines The Dark Prince s power to summon demons has made his forces second to none and ensured his place as one of the invasion s leaders Not content to merely seize his father s throne the renegade royal dreams of world conquest and with his army and his black arts there is little to stop him So unexpected so well planned is the invasion of the free port New Bally that out of hundreds in the city only two escape capture Haft and Spinner will need all their courage and cunning to retrieve their weapons from their enemy held ship cross the open meadows surrounding the city walls and escape into the forest beyond where they hope to regroup and drive back the invaders Luckily Haft and Spinner are no ordinary men They are Marines      **Demontech: Rally Point** David Sherman, 2003-02-04 Ruthless and seemingly indestructible the dark army didn t count on the few the proud the Marines The Dark Prince s vast armies have destroyed nation after nation with the aid of powerful demon magic Their total victory would be swift and certain except for two things Haft and Spinner a pair of soldiers trained in the art of warfare through the teachings of a magically transported Marine Gunnery Sergeant The Dark Prince s orders are swift and simple find them Haft and Spinner along with scores of soldiers and refugees are determined to form an army and defeat the invaders Outnumbered and outgunned they must uncover and kill the enemy before the enemy kills them Haft and Spinner have already accomplished great feats But to achieve the impossible will require a few strokes of genius and a few good men Fortunately these Marines have both      Starfist: School of Fire David Sherman, Dan Cragg, 1999-02-11 Combat betrayal and murder at the edge of human space Deployed to assist the oligarchs of Wanderjahr in putting down a rebellion that threatens the planet s political and economic stability the Marines must fight two wars at the same time one against the resourceful well led guerrillas and another with the entrenched police bureaucracy But who is the real enemy and who can be trusted On Wanderjahr nothing is as it seems not even the animal life and everyone has his own agenda Inexorably the Marines of the 34th FIST are drawn deeper and deeper into the politics of a world where murder

terror and betrayal are the accepted methods of government and everyone is ripe for an old fashioned butt kickin

Starfist: Firestorm David Sherman, Dan Cragg, 2008-04-29 Combat vets David Sherman and Dan Cragg know firsthand the courage sacrifice and hell of war and their experiences have made the popular Starfist novels thrill rides of the highest order Now the explosive action continues on the remote planet Ravenette where the Marines of the Confederation s 34th Fleet Initial Strike Team FIST find themselves up against a full fledged rebellion and a lethally loose cannon of a commanding officer Desperate to thwart unrelenting aliens and their quest to obliterate humankind The Confederation has beefed up its defenses But to the citizens on the outer edges of Human Space around Ravenette unaware that a deadly enemy even exists the government s move seems oppressive and ten planets have responded with a war of secession In touch and go battles with the seceding planets the 34th FIST has emerged battered but unbowed refusing to give up even while under the command of a fanatical general The enemy determined to strike a new mission must be carried out though the troops will likely return in body bags Should Ensign Charlie Bass and his Marines somehow survive the nightmarishly difficult amphibious landing they can expect to be outmanned outgunned and out armored in a fierce duel against fresh soldiers But like any Marine worth his salt Bass knows there s only one way to go when facing impossible odds on the offense with all guns firing There s no other choice because if life was easy there d be no need to send in the Marines Starfist: Wings of Hell

David Sherman, Dan Cragg, 2008-12-30 Planet Haulover has been invaded by Skinks Until now the aliens existence has been hushed up But Force Recon s shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction Meanwhile back home the Confederation s president is being denounced as a warmonger out to exterminate harmless aliens If she loses the upcoming elections the Confederation will have a lot more Skinks to worry about than the ones on Haulover Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns such as staying alive But what would be a suicide mission for most whether it s raiding a hidden Skinks base or destroying the enemy s most lethal weapons during a desperate firefight is just another job for the Thirty fourth FIST **Starfist: Force Recon: Pointblank** David Sherman, Dan Cragg, 2006-08-29 A bold new contingent

Force Recon joins the explosive Starfist space epic of marines at war A Confederation army is besieged on the planet Ravenette cut off by and facing destruction at the hands of a dozen Secessionist Coalition worlds arrayed against it The outnumbered and outgunned forces cling precariously to their foothold dubbed Bataan by the desperate men in their fighting bunkers Reinforcements are on the way but will they arrive in time And even if they do can they match the well led highly motivated enemy determined to destroy them in battle But the Confederation commander holds a wild card an elite force armed only with what they carry on their backs and in their heads a small detachment of Marines who lightly go where others fear to tread the Fourth Force Recon Company For anyone else this mission would be suicide but for these Marines it s just another day in the maelstrom Words on Cassette, 2002 R R Bowker Publishing, 2002 Starfist: Lazarus Rising

David Sherman, Dan Cragg, 2004-11-23 It's the 25th century but the Marines are still looking for a few good men. In their fiercest combat yet, the hard-charging Marines of 34th Fleet Initial Strike Team FIST have finally won their battle against a full-scale alien invasion of planet Kingdom. But as citizens try to return to some semblance of normalcy, the old government is replaced by a ruthless new regime. Meanwhile, in a cave in some forgotten Kingdom backwater, several humans slowly regain consciousness. Their minds have been probed repeatedly by whom and for what reason they cannot say for they've been stripped of all memories of themselves and their past lives. These half-dead outcasts begin a journey into the unknown in search of civilization, in search of themselves. And one survivor's journey will take him to places of overwhelming danger where his identity will be revealed to the shock of all. Non-stop action. This is state-of-the-art military SF.
