have traveled frequently and stayed in jungles and deserts too face difficulties The sphere of astrology is very wide One should have mastery over its different aspects to comprehend satisfactorily Unless and until one attains deep knowledge and expertise his sincerity and honesty remain dubious Meanwhile whatever I could gain through my study and experience I have put together in this book I take no pride in doing so as I am not an erudite scholar who is presenting his views to impress readers of his merits and accomplishments To me there is no difference between fame and the sun on a rainy day , Do It Yourself - Natural Eyesight Improvement - Original and Modern Bates Method Clark Night, William Bates, 2011-12-08
