Starlight's Requiem Krysta Lane,2024-11-20 The realm of Aethel woven from starlight and celestial rivers is dying A cosmic parasite the Blight devours the light of the constellations leaving only chilling emptiness in its wake The starborn conduits of celestial energy are faltering in their age old struggle against the encroaching darkness Hope itself flickers like a dying ember Isara Thorne a young woman blessed or cursed with extraordinary celestial power burns brighter than any starborn in generations Hunted relentlessly by monstrous incarnations of the Blight she is haunted by the dying cries of the celestial spirits Yet amidst the despair a celestial melody whispers in her dreams promising a way to fight back Altair Vance hardened by loss and bound by duty protects Isara with grim determination He sees her radiant hope as dangerous naivet her untamed power a liability in their desperate fight for survival Haunted by the memory of his sister consumed by the Blight he has built walls around his heart shielding himself from any flicker of hope even the radiant light of the girl he is sworn to protect Bound by circumstance their paths collide under a sky streaked with the ghosts of dying stars Their journey for survival becomes a perilous quest across Aethel towards the Whispering Archive a celestial library rumored to hold the secrets of the cosmos From the crystalline forests of Xylos where trees sing with fading light to the treacherous Obsidian Sea where shadows coalesce into monstrous forms they face trials that will test not only their strength but the very foundations of their beliefs But the Whispering Archive holds a devastating truth the Blight is not an external enemy but a reflection of the starborn s own fear and despair The celestial melody Isara hears is not a song of hope but a dirge of sacrifice Their

burgeoning love once a source of strength becomes an agonizing choice Will they succumb to the ancient ritual sacrificing themselves to save Aethel Or will they forge a new path a rebellion against destiny itself rewriting the symphony of the stars with a song of defiance and unwavering hope The King's Justice Katherine Kurtz, 2016-03-08 A young liege goes to battle in a medieval land teetering on the brink of civil war and church sanctioned genocide in the second chronicle of the reign of King Kelson In troubled Gwynedd the crown sits heavy on the head of King Kelson Haldane In a realm historically torn asunder by deep seated suspicion and fear of the magical Deryni who live among them young Kelson is both beloved for his humanity and abhorred for his Deryni blood Now the traitorous cleric Bishop Loris has joined forces with Queen Caitrin the Pretender of Meara in her attempts to rip her homeland away from Gwyneddan rule But Loris has even darker intentions His scheme to reignite the terrible flames of holy civil war against the Deryni coupled with Caitrin's campaign of violent secession draw Kelson and his army away from the royal court where in the king's absence an assassination plot is brewing An extraordinary world builder acclaimed fantasist Katherine Kurtz returns readers to the Middle Ages of an alternate Earth in her continuing chronicles of the Deryni Kurtz's second history of the troubled reign of King Kelson is a breathtaking tale of majesty magic war treachery faith and intolerance that once again brings a fascinating world and its diverse peoples to glorious life Statistical Astronomy Robert J.
