Stars Of Albion:

Stars of Albion Robert Holdstock, Christopher Priest, Brian Wilson Aldiss, J. G. Ballard, Bob Shaw, John Brunner, David S. Garnett, Josephine Saxton, Barrington J. Bayley, David I. Masson, Keith Roberts, Pan Books (Firm), 1979 *Stars on the Earth* Richard Leviton, 2006-08 Discover the wonderful secret the Earth holds for us that the stars of the galaxy live on our planet Holograms of high magnitude stars over holy mountains Physical travel to other planets through stargates on the Earth's surface Near instantaneous transportation across the planet through quick way portals Outrageous science fiction or sober geomantic fact Earth Mysteries researcher Richard Leviton takes you on a wild tour of three geomantic features of our planet and reveals that what science fiction has dreamed the Earth in fact offers us Stars on the Earth combines scholarship clairvoyance and field experience with the latest discoveries of geology and astrophysics and the timeless insights of the world's myths to open the planetary door to the stars It's all part of the Earth's unsuspected but staggeringly rich endowment as a designer planet Our planet was precisely designed and implemented for us and it's equipped with a visionary geography that mirrors features of the galaxy and Heavens Why are so many of the Earth's mountains said to be holy producing visions and encounters with the gods They all have canopies of light called domes each transmitting the presence of a galactic star What is the geomantic origin of the Bermuda Triangle Two dysfunctional stargates If working properly they and the Earth's other two million stargates could transport us rapidly to other planets Is there a way to travel quickly across the planet without using cars airplanes boats or trains Yes and it's called a traversable wormhole and the Earth has thousands of them awaiting our discovery and use Come join the tour of a planet you've never seen before our own star infused Earth *Stars, Stones and Scholars* Andis Kaulins, 2008-12-12 The hermetic tradition claims As above so below Did the ancients mean that literally Stars Stones and Scholars shows that many ancient megalithic sites are not tombs but are remnants of ancient local regional and perhaps even larger Neolithic surveys of the Earth by Stone Age astronomy with gigantic stones being placed as immovable survey markers Circa 40 photographs 240 drawings and 80 maps show how megaliths were carved and sculpted with figures and cupmarks holes in the stones to represent stars and constellations long before the modern astrological Zodiac was known Megalithic sites from England Stonehenge Wales Paviland Scotland Clava Cairns Ireland Newgrange Knowth Germany Externsteine Benelux Weris France Carnac Italy La Spezia Malta Tarxien Greece Turkey Anatolia Scandinavia Tanum the Baltic Russia the Near East the Far East China and Japan Africa Central and South America Tikal Maya Aztecs Oceania Hawaii The USA Cahokia Miami Circle Clovis and Canada Peterborough Petroglyphs are included in this fascinating book **Blake: The Complete Poems** W.H. Stevenson, 2014-05-12 William Blake 1757-1827 is one of the great figures in literature by turns poet artist and visionary Profoundly libertarian in outlook Blake's engagement with the issues of his day is well known and this along with his own idiosyncratic concerns flows through his poetry and art Like Milton before him the prodigality of his allusions and references is little short of astonishing

Consequently his longer visionary poems can challenge the modern reader who will find in this avowedly open edition all they might need to interpret the poetry W H Stevenson's Blake is a masterpiece of scrupulous scholarship It is as the editor makes clear in his introduction designed to be widely and fluently read and this Third Edition incorporates many changes to further that aim Many of the headnotes have been rewritten and the footnotes updated The full texts of the early prose tracts All Religions are One and There is no Natural Religion are included for the first time In many instances Blake's capitalisation has been restored better to convey the expressive individuality of his writing In addition a full colour plate section contains a representation of Blake's most significant paintings and designs As the 250th anniversary of his birth approaches Blake has perhaps more readers than ever before Blake The Complete Poems will stand those readers new and old in good stead for many years to come

The Last of the Windjammers Basil Lubbock,1927 *Blake's Visionary Universe* John B. Beer,1969

The Blaise Conjunction Richard Leviton,2013-07-18 The councilors had placed a book upon the table its cover pale blue edged in silver The title was The Theosophon They slid it towards me Philomena Wilcox Ph D retired professor of music pianist passionate devotee of Russian composers like Scriabin and Rachmaninov thinks she is merely editing a series of prolix journals by the desert recluse Blaise One day in 2029 she took delivery of 7 000 pages of his arcane diary entries spanning a 20 year period His story what he thinks and writes about is exceedingly odd mystical and perplexing He is anticipating a planetary event to take place in 2033 Soon enough Philomena discovers she impossibly is part of this story in fact will be a keystone in this epochal event Its as if through the journal pages Blaise talks directly to her and pulls her into his world of wisdom angels geomantic patterns and designer planets The pages are encoded with activation triggers Over a three year period she starts to remember her true story her astonishing past Its a nonstop tutorial in the Mysteries Taught by the human Blaise and his angelic mentors also called Blaise seemingly right now in the present moment Except upwards of 35 years or more separate them in the world of linear time Her familiar world starts to fall apart The event is called the Theosophon Blaise writes about it but she designed it Thats startling enough but Philomena is astonished to remember that she designed it eons ago in another galaxy The Earth was created as a performance stage for it The Theosophon is a multidimensional musical event involving the collective consciousness of humanity the Earth and the spiritual world The overture of the fulfillment of the purpose of the Earth and humanity Yes Philomena is an integral part of this unique event but it will cost her more than she ever thought possible

Blake and Tradition Kathleen Raine,2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company

Eastern Star of Michigan ,1928 *The White Staff Nudge* Richard Leviton,2017-10-03 This is a story of how a sages staff that blossomed in white petals two thousand years ago gave the Earth and humanity a valuable spiritual nudge in 2054 The sage was Joseph of Arimathea famous for providing a tomb for the crucified Jesus But hes also legendary for arriving in Celtic Glastonbury in the first century AD where he established the first Apostolic church in Britain Joseph also introduced the Grail Knight Fellowship and the Christ Light

transmission Immortal has been the chief magus of the Quest for the Holy Grail ever since and the leader of an esoteric academy spanning the centuries that trains people to use the authentic Christ Light to rebalance the planet. It all comes down to a flowering white staff and it's a staff made of Light. Its blossoms are blazing diamond white fire and it's called the White Crown. But Joseph is not the only one with a staff. All Grail Knights have one and that's how they combine Christ alignment with Earth energies as Edward Burbage found out. He's an established Boston book editor who sets off with two companions on a four-year immersion in the powers and uses of the flowering white staff. The story begins in the year 2050 and the world is still reorganizing itself along better lines than it has seen in millennia since the Golden Age finally began in 2020. But it still needs a few expert nudges from the white staff to keep it on track. Edward's initiation into how you do this with the white staff's power takes him to Nebraska, Iowa, Glastonbury, Ireland, Gozo, and Greece. Along the way, he learns the true story of the Holy Grail, how Ireland's original gods brought the Grail from the Andromeda Galaxy, and how their allies, the famously enigmatic 24 Elders, guide the Earth's secret destiny. But Edward will have to deal with their enemy, Klingsor, the trickiest, nastiest, most deviously clever Grail Killer.

Asha-Land Richard Leviton, 2022-04-29

A METAPHYSICAL PICARESQUE ADVENTURE INTO THE GEOMANTIC MYSTERIES OF THE EARTH WITH ANGELIC ACCOMPANIMENT

In 2095, three Light grid engineers undertake a world restoration tour of the esoteric energy body of the planet to fine-tune an upgrade that started in 2020. Their fixer-upper itinerary takes them to England, Montenegro, South Africa, Ethiopia, Colombia, Armenia, Pakistan, South Korea, Finland, 14 stops in all. The Earth has been birthing a landscape of Light and Truth out of itself since 2020, but it needs some professional tweaking and housecleaning to complete its transformation. Some parties vigorously oppose this upgrade and have to be dealt with; others heartily support it. It's been like that since the beginning of the Earth. Lars Jaanusson, a Boston book editor, narrates the fieldwork in a manner that is both whimsical and serious. The tour was an immersion in mythopoesis. You find you're living and working inside the world's myths when you do this work. Much is at stake, but you have to stay light-hearted on the job, he says. Lars and his two companions, Beatrice Goldoni from Italy and Bogdan Hazurov from Bulgaria, enjoy the technical assistance of two angelic orders: The Ofanim, jokey and amiable while brandishing huge swords of Light, and the Serafim, doing business as the fierce Valkyries of legend who take no prisoners among the enemies of the Earth. The planet's upgrade, just finishing up in 2095, was scheduled at its inception, in fact, as early as its design phase. Many of its problems and enemies go back to that beginning, too. Not everyone was in favor of a world with this much Light and Truth and so elegant a geometric design or grid in Light. That's why much of the narrative recounts what it took to pull out the deep-resistant, dark-minded roots that have disturbed the Earth and humans for millennia. It's an altogether different take on the Apocalypse.

Santa Fe Light Richard Leviton, 2009-04-24

Santa Fe, the City Different, has deeply excited visitors for over a hundred years with its crystal blue skies, Blood of Christ Mountains, pure dry air, old adobe charm, and beautiful light. But this high desert State capital and artists' haven may also be a Land of Light, a premier landscape.

of multiple sacred sites and heightened spiritual charge People love this place they say for its uplifting spiritually leavening effect for how it starts a process of transformation healing deep change and self reinvention People revere this place as an axis of creativity a hotbed of innovation and a paramount center for recreating culture and spirituality capable of inspiring the world Santa Fe Light explains why An able travel guide it takes you to 111 different locations and their Light temples in and around Santa Fe numinous places usually only encountered in myths or dreams And it proposes that the observed social qualities of Santa Fe its livability might be due to this fabulous visionary geography alluringly just beyond the veil of our ordinary perception *Blake, Ethics, and Forgiveness* Jeanne Moskal,1994 It demonstrates that Blake s protests are directed to laws based on obligation which assume that all human persons are essentially alike while Blake s advocacy of forgiveness among human beings assumes an ethics of character based on the cultivation of virtues Herd Register American Guernsey Cattle Club,1929 *Poetical Works* William Blake,1906 The Poetical Works of William Blake William Blake,1906 *Complete Writings* William Blake,1966 This edition includes almost all Blake s substantive variants with the exception of some in the exceptionally complex manuscript of Vala or the Four Zoas **Notes and Queries** ,1899 **The Blizzard - The Football Quarterly: Issue Twenty Three** Jonathan Wilson,George Osborn,Rob Smyth,Rupert Fryer,James Young,2016-12-01 First published in December 2016 Issue Twenty Three contains 18 articles in 6 sections including Paul Simpson on the end of Ron Knee and Private Eye s relationship with football Joe Devine talks to David Icke about football s role as an opiate to suppress the masses and Rupert Fryer with a selection of nutmegs for the ages **Modernist Studies** ,1979
