Stars In My Sky:

Stars in My Life Simran Maharshi, 2025-08-30 Stars in My Life is a heartfelt journey through the meaningful relationships and moments that shaped Simran Maharshi's world. Each chapter honors the stars who lit her path: parents, friends, family, her beloved pet, and those lost too soon. Through raw emotions and gratitude, Simran reminds us to cherish loved ones, care for animals with compassion, and live with kindness. This memoir is a message of love, remembrance, and humanity that some stars walk beside us in the form of memories, sacrifices, and unconditional love. Don't wait to say I love you; value the living stars around you for one day; they may become memories you'll hold with tearful affection. **The Universe Today**

Yeats Stephen Maxfield Parrish, 2019-06-30 Now it is possible for the first time to trace in a systematic way the language patterns of one of the greatest poets who have written in English. W.B. Yeats. Like A Concordance to the Poems of Matthew Arnold, the first of the Cornell Concordances that are under the general editorship of Professor Parrish, this volume was produced on an IBM 704 electronic data processing machine. Computer technique has so advanced that the Yeats concordance includes punctuation and gives cross references for the second parts of hyphenated words. The frequency of every word in Yeats's poems is given, and an appendix lists all indexed words in order of frequency. The body of this book consists of an index of all significant words in Yeats, each word listed in the line or lines in which it occurs. The concordance is based on the variorum text of Yeats, edited by Alspach and Allt, and includes all variants that occur in printed versions of Yeats's poems. Tales From the Allotments William Forde,2014-11-19 Tales from the Allotments is my favourite story that I have ever written from the 50 books I've had published It is suitable reading for any teenager and adult Although set in the 19th and early 20th centuries it is a timeless story that is just as relevant today as it was 150 years ago It tells the story of a mining village where the local pit is the sole
