

The background image is a high-angle, low-look-up shot of a multi-level glass and steel atrium. The architecture features a complex network of curved glass panels and dark metal structural elements. Several levels of walkways or balconies are visible, creating a sense of depth and verticality. In the lower-middle part of the frame, a person is standing on one of these levels, looking up towards the top of the structure. The overall color palette is dominated by cool blues and greys, with some highlights from natural light filtering through the glass.
