The Witness of the Stars Ethelbert William Bullinger, 2020-07-26 Reproduction of the original The Witness of the Stars by Ethelbert William Bullinger The Witness of the Stars E. William Bullinger, 2024-02-10 Some years ago it was my privilege to enjoy the acquaintance of Miss Frances Rolleston of Keswick and to carry on a correspondence with her with respect to her work Mazzaroth or the Constellations She was the first to create an interest in this important subject Since then Dr Seiss of Philadelphia has endeavoured to popularize her work on the other side of the Atlantic and brief references have been made to the subject in such books as Moses and Geology by Dr Kinns and in Primeval Man but it was felt for many reasons that it was desirable to make another effort to set forth in a more complete form the witness of the stars to prophetic truth so necessary in these last days To the late Miss Rolleston however belongs the honour of collecting a mass of information bearing on this subject but published as it was chiefly in the form of notes unarranged and unindexed it was suited only for but was most valuable to the student She it was who performed the drudgery of collecting the facts presented by Albumazar the Arab astronomer to the Caliphs of Grenada 850 a d and the Tables drawn up by Ulugh Beigh the Tartar prince and astronomer about 1450 a d who gives the Arabian Astronomy as it had come down from the earliest times Modern astronomers have preserved and still have in common use the ancient names of over a hundred of the principal stars which have been handed down but now these names are used merely as a convenience and without any reference to their significance This work is an attempt to popularize this ancient information and to use it in the interests of truth For the ancient astronomical facts and the names with their signification I am from the very nature of the case indebted of course to all who have preserved collected and handed them down but for their interpretation I am alone responsible It is for the readers to judge how far my conclusions are borne out by the evidence and how far the foundation of our hopes of coming glory are strengthened by the prophecies which have been written in the stars of heaven as well as in the Scriptures of truth For the illustrations I am greatly indebted to Jamieson's Celestial Atlas 1820 Flammarion's L'atlas Sir John W Lubbock's Stars in Six Maps 1883 and to the late Mr Edward J Cooper's Egyptian Scenery 1820 For the general presentation and arrangement of the Constellations I am responsible while for the drawings my thanks are due to my friend Miss Amy Manson It is the possession of that blessed hope of Christ's speedy return from Heaven which will give true interest in the great subject of this book **The Star of Love** Florence Morse Kingsley, 1909 **The Call of the Stars** John Robert Kippax, 1914 **THE LIFE STAR METHOD Three Instant Steps in 3 Seconds to Reduce Stress and Be Beneficial to Humanity** Cakti Indra Gunawan, Ph.D , 2018-03-01 This book dedicated to all circles from adolescents adults and parents without distinction of religion ethnicity class and social status This English version reserved for all the world community with English as their spoken language to make them easier in understanding the content of this book The book is designed very simple and straightforward to the point so readers can immediately practice how to prevent stress and achieve happiness like
