## Starshine And Sunglow:

*Starshine and Sunglow* Betty Levin, 1994-05-01      **Shoddy Cove** Betty Levin, 2010-10-12 Clare's summer has been ruined. With Dad away, Clare is forced to accompany her mother to the Cossit Island Village living historical museum. Every day she has to wear long, awkward 1830s style dresses and card wool in the hot, gloomy Grimes homestead. Then two children appear: a boy who knows how to spin wool without even using a spindle and his little sister who throws a fit in the middle of a funeral reenactment. They are not ordinary tourists. Clare sees them day after day. Who are these strange children? What are they doing at Cossit Island Village? As Clare tries to unravel their story, she stumbles upon a second mystery nearly two hundred years old and just as intriguing and suspenseful as the first.      **Written for Children** John Rowe Townsend, 1996-05-01 This revised and updated edition provides children's and young adult librarians, teachers, literature classes, and library school classes with an authoritative history and analysis of the best British and American children's literature through 1994, with a new 2003 postscript including such recent phenomena as J. K. Rowling and Philip Pullman. *Written for Children* traces the development of children's literature from its origins through the beginnings of the multimedia revolution. In effortless and entertaining style, Townsend, a world-renowned authority in the field, examines the changing attitudes toward children and their literature and analyzes the various strands that make up this important field. While examining many well-known American classics, Townsend also looks at British works that American audiences may have overlooked. With illustrations and bibliography.      *Island Bound* Betty Levin, 2010-10-12 Chris Fossett can't resist a dare to spend a week alone on rocky, isolated Fowler's Island off the coast of Maine. He expects to spend his time hunting for food, not ghosts. But there's no denying an eerie presence in the fog, and Chris recalls his grandfather's tales of a girl who was left behind on the island. A fierce girl who may still be there. Joellen Roth, who comes to the island's bird cliffs with her scientist father, and his new girlfriend want nothing to do with Chris, nor he with her. But when the two stumble upon a hidden journal, the pages reveal a story strikingly similar to one that Joellen is writing.      *The Encyclopedia of Fantasy* John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction*, this massive reference of 4,000 entries covers all aspects of fantasy from literature to art.      **Something about the Author** Kevin S. Hile, 1996 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover personal life, career writings, and works in progress, adaptations, additional sources, and photographs.      **Collected Poetical Works** Algernon Charles Swinburne, 1927      **The Sacrifice of Sunshine Girl** Paige McKenzie, 2017-04-04 The final installment of the New York Times bestselling *Haunting of Sunshine Girl* trilogy based on the hit YouTube channel and in development for television about a girl who can communicate with ghosts. Is Sunshine Griffith who she thinks she is? Now that her *luiseach* powers are fully awakened and having barely survived an abyss full of demons at the end of Book Two, Sunshine must figure out who or what has been organizing the forces of darkness against her. Thanks to her brainiac

boyfriend Nolan they not only unearth that Sunshine's death would trigger a calamitous event but that all civilization depends on her survival So when an unexpected event unleashes a fierce war between the luiseach and the demon army Sunshine will learn a shocking truth about herself Can she bring herself to make the ultimate sacrifice to save humankind
