America'S Irresistible Attraction John S. Dinga,2011-04-13 Part travelogue and part memoir John S Dingas newest book is a sequel to Navigating the Contradictions of America and explores disparities between Americas past and present from the perspective of an immigrant Featuring characters both real and fictional Dinga shares his observations about the realities of making a new life in a new country with an occasional flashback to the former home The desire to immigrate to America is one shared by people all over the world people who are often unaware of what it takes to thrive in a competitive capitalist world where nothing is the same as before Settling down in a new environment and navigating the politics and stresses of finding a job are just two of the aspects of culture shock a new immigrant will face Expectations and responsibilities from those back home also add to the new immigrants challenges and Dinga offers his suggestions on how to thrive under those stresses as well He speaks not only to the potential immigrant but to those officials in power on either side of the process as well Learning to make the right choices when presented with so many options is another life lesson addressed The American society freedoms choices and government are envied in many corners of the world and Dinga explores how that perception influences the decision to start the journey People need to know that living in America has its challenges challenges not often imagined when the desire to immigrate pushes them to cross deserts oceans and unfriendly skies

Necroscope: Invaders Brian Lumley,2025-08-22 Three great vampires two Lords and a Lady arrive on an unsuspecting Earth that teems with defenseless humans easy prey for the marauding vampires But humanity has defenders Though the necroscope is gone the psychically gifted men and women of E Branch move swiftly against the vampire infestation Jake Cutter is running for his life through the streets of Turin when he vanishes appearing moments later inside the triply locked Harry s room in E Branch s London HQ Jake s dreams are very strange filled with the voices of the dead the Great majority the Necroscope Harry Keogh even a dead vampire He hears them all but he doesn t truly understand If Jake is the new Necroscope he has to learn fast how to control his powers and speak to the dead E Branch with the reluctant Jake along for the ride is about to go head to head with Malinari the Mind a vampire Lord whose psychic abilities are second to none But the dead don t trust Jake not like they trusted Harry Jake s got personal revenge on his mind and he s spending too much time talking that dead vampire He s got to start thinking about the future or he won t have one At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *That's Gotta Hurt* Dr. David

Geier,2017-06-06 In *That s Gotta Hurt* the orthopaedist David Geier shows how sports medicine has had a greater impact on

the sports we watch and play than any technique or concept in coaching or training Injuries among professional and college athletes have forced orthopaedic surgeons and other healthcare providers to develop new surgeries treatments rehabilitation techniques and prevention strategies In response to these injuries sports themselves have radically changed their rules mandated new equipment and adopted new procedures to protect their players Parents now openly question the safety of these sports for their children and look for ways to prevent the injuries they see among the pros The influence that sports medicine has had in effecting those changes and improving both the performance and the health of the athletes has been remarkable Through the stories of a dozen athletes whose injuries and recovery advanced the field including Joan Benoit Michael Jordan Brandi Chastain and Tommy John Dr Geier explains how sports medicine makes sports safer for the pros amateurs student athletes and weekend warriors alike That s Gotta Hurt is a fascinating and important book for all athletes coaches and sports fans

The Day She Cut God Loose Sarah Tirri, 2020-12-14 *The Day She Cut God Loose* begins on Starside a processing plant for all souls coming and going to Earth When Sarah the main character is summoned to The Department of Planning Melchizedek the Godson asks her to reincarnate for a mission in the service of humanity Sarah goes kicking and screaming back to the planet she was glad to leave the last time around After having her memory expunged Sarah is born in England to parents who divorce when she is two years old She then moves with her mother from man to man marriage to marriage and town to town They are exposed to the ravages of alcoholism domestic violence abandonment and the objectives of a foster mother who is addicted to attention and the hullabaloo that arises from the fact that she is as lost as the young girl Sarah she vowed to care for At a very young age Sarah realizes that all those living on planet Earth are very unhappy The only hint she has that she might be different from those around her is when her everyday mind changes form and she fleetingly becomes aware of the underlying magnificence of the Godson s plan This mental seesawing gives rise to her contrary nature which gets her into a lot of trouble *The Day She Cut God Loose* is the story of Sarah It is also story of you and all those like you existing for now within the cycle of rebirth and karma This is the story of the human mind and what it is capable of This is the story of planet Earth

The Wreck of the River of Stars Michael Flynn, 2007-04-01 Michael Flynn has written the best SF in the tradition of Robert A Heinlein of the last decade His major work was the Firestar sequence a four book future history As Robert A Heinlein did and all too few have done since Michael Flynn writes about the near future as if he d been there and was bringing back reports of what he d seen said Harry Turtledove Now in this sweeping stand alone epic of the spaceways Flynn grows again in stature with an SF novel worthy of the master himself Indeed if Heinlein s famous character the space faring poet Rhysling had ever written a novel this would be it This is a compelling tale of the glory that was In the days of the great sailing ships in the mid twenty first century when magnetic sails drew cargo and passengers alike to every corner of the solar system sailors had the highest status of all spacemen and the crew of the luxury liner the River of Stars the highest among all sailors But development of the Farnsworth fusion drive doomed the sailing ships and

now the River of Stars is the last of its kind retrofitted with engines her mast vestigial her sails unraised for years An ungainly hybrid she operates in the late years of the century as a mere tramp freighter among the outer planets and her crew is a motley group of misfits Stepan Gorgas is the escapist executive officer who becomes captain Ramakrishnan Bhatteji is the chief engineer who disdains him Eugenie Satterwaithe once a captain herself is third officer and for form s sake sailing master When an unlikely and catastrophic engine failure strikes the River Bhatteji is confident he can effect repairs with heroic engineering but Satterwaithe and the other sailors among the crew plot to save her with a glorious last gasp for the old ways mesmerized by a vision of arriving at Jupiter proudly under sail The story of their doom has the power the poetry and the inevitability of a Greek tragedy This is a great science fiction novel Flynn s best yet At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Necroscope: Defilers** Brian

Lumley,2011-04-01 Packed with hideous nightmares walking corpses last minute escapes blood sucking ghouls and even true love Necroscope Defilers will more than satisfy any Brian Lumley fan Jake Cutter is reluctantly learning how to be a Necroscope how to use the Mobius continuum to travel instantaneously from place to place how to talk to the dead but dead humans don t like him much It seems Jake s got a hitchhiker named Korath Since Korath holds the key to the Mobius equations Jake can t just kick him out though he s certainly trying Jake s not sure he really wants to be a member of E Branch the supersecret ESP powered organization that s dedicated to eradicating the vampire infestation of Earth To the freewheeling passionate Jake the E Branchers seem a little stuffy and hidebound except for the lovely Liz whom Jake wants to get to know better body and mind But Liz is a telepath and if Jake s not careful she ll find out about Korath And that will likely be the end of Jake Cutter In Australia Jake helped E Branch destroy the aerie of the mind master Nephtam Malinari one of a trio of Great Vampires who came to Earth from the vampire world Malinari escaped and went to ground with the hideously beautiful Lady Vavara Vavara has taken over a holy monastery on a beautiful Greek island and turned the nuns into most unholy creature with fearsome appetites for all things carnal Jake wants revenge against the Italian mobsters who killed the woman he loved and nearly killed him As far as he s concerned E Branch can search for Malinari Vavara and the metamorphic Lord Szwart without him until he s satisfied his own bloodlust But it seems vampire hunting is truly Jake s job now the men he s trying to kill aren t men at all but vampire spawn hidden for two generations in human guise To defeat them Jake will need every weapon in a Necroscope s arsenal including the power to all the unsleeping dead out of their moldering graves At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
