away from the pain but learning to rest in it Rather than distracting our selves from the simple darkness at our core we sit with it paying close attention and opening our hearts to all that is left which is love It is the cultivation of compassion for our suffering selves and for others who suffer the illusion of separation from the Beloved In the dark night a quiet formless willingness to return emerges for when the body and mind have reached the end the spirit comes forth A memoir includes some of Paul s writings Included are inspired articles written by Daria from international monthly The Peaceful Times Newsletter
