No experience required. **Constructing a 5-string Banjo**, 1985 General Reference *Bluegrass Unlimited*, 2009 **Complete Banjo Repair** Larry Sandberg, 1997-12-03 The setup, maintenance and restoration of the five string banjo. An indispensable guide for the amateur as well as the professional repair person. Every procedure is clearly explained and illustrated with detailed photographs and diagrams. **The Best of Jack Hatfield** Jack Hatfield, 2012-03-01 This book is an anthology of Jack Hatfield's most successful teaching arrangements: jam session favorites, show tunes and original compositions. Although it is not a teaching method per se, there are many arranging concepts and general tips included in the performance notes. There are also a few drills. Sections One and Two are intended to be a supplement for beginner and intermediate students, especially those who have used Mel Bay's *First Lessons Banjo*. Additional solos are presented for many of the songs in that book. Section Three is basically a lick and repertoire building resource for more advanced players. This entire section, with the exception of two arrangements, is previously unpublished material. Hallmarks of Jack's teaching style include melody oriented arrangements, the use of well known songs for the beginner, teaching tunes essential to the bluegrass banjo player's repertoire, the use of bold faced melody notes and an extremely graduated approach which builds on previously learned techniques and licks. The arrangements in this book adhere to these principles. 112 pages complete with two audio CDs. **Stringbean** Taylor Hagood, 2023-05-03 The artist's impact on country music and how his death changed the genre. A beloved member of the country music community, David Stringbean Akeman found nationwide fame as a cast member of *Hee Haw*. The 1973 murder of Stringbean and his wife forever changed Nashville's sense of itself. Millions of

others mourned not only the slain couple but the passing of the way of life that country music had long represented Taylor Hagood merges the story of Stringbean's life with an account of murder and courtroom drama Mentored by Uncle Dave Macon and Bill Monroe Stringbean was a bridge to country's early days His instrumental savvy and old time singing style drew upon a deep love for traditional country music that along with his humor and humanity won him the reverence of younger artists and made his violent death all the more shocking Hagood delves into the unexpected questions and uneasy resolutions raised by the atmosphere of retribution surrounding the murder trial and recounts the redemption story that followed decades later
