## **Starving In The Shadow Of Plenty:**

**Starving in the Shadow of Plenty** Ellen Levine, Loretta Schwartz-Nobel, 2001-05-31 President Ronald Reagan's chief advisor on domestic affairs announced in December 1980 that poverty has been virtually wiped out in the United States and the systems of government aid have been a brilliant success. Now *Starving in the Shadow of Plenty* lays bare the horrifying truth. For the first time since Robert Kennedy traveled the muddy back roads of Mississippi and the war on poverty rose and fell, starvation in America is documented. Loretta Schwartz Nobel, twice winner of the Robert Kennedy Memorial Award for articles on hunger, has retraced Kennedy's steps and found that Marasmus and Kwashiorkor, the most extreme diseases of protein and calorie deficiency, still exist in the United States today. The author spent seven years traveling across the country and speaking to the hungry in rural shacks, urban ghettos, on Indian reservations, and in previously middle-class homes. Her book is their story told in their own words. But it is also the story of federal corruption and abuse. The government of the United States turns countless numbers of eligible people away from existing food programs; it allows millions of infants to be malnourished, and it seems to be oblivious to citizens who are starving and dying. *Starving in the Shadow of Plenty* is the first in a series on hunger in America. The author's newest book, *Growing Up Empty: The Voices and Politics of Starving Children in America*, a 25-year retrospective, will be published by Harper Collins Cliff Street Books in 2002.

*HumanKind* Brad Aronson, 2020-04-14 An elegant, wise book of love in action. Deepak Chopra: These stories will inspire you. Gabrielle Bernstein: 1 New York Times bestselling author of *The Universe Has Your Back*. *HumanKind* is the heartwarming, feel-good book that we all need right now. Brad Aronson's life changed in an instant when his wife Mia was diagnosed with leukemia. After her diagnosis, Brad spent most of the next two and a half years either by her side as she received treatment or trying to shield their five-year-old son Jack from the worst of Mia's illness. Amid the stress and despair of waiting for the treatment to work, Brad and Mia were met by an outpouring of kindness from friends, family, and even complete strangers. Inspired by the many demonstrations of humankindness that supported their family through Mia's recovery, Brad began writing about the people who rescued his family from that dark time, often with the smallest of gestures. But he didn't stop there. Knowing that simple acts of kindness transform lives across the globe every day, he sought out these stories and shares some of the best ones here. In *HumanKind*, you'll meet the mentor who changed a child's life with a single lesson in shoe-tying, the six-year-old who launched a global kindness movement, the band of seamstress grandmothers who mend clothes for homeless people, and many other heroes. Brad also provides dozens of ways you can make a difference through the simplest words and deeds. You'll discover how

buying someone a meal or sharing a little encouragement at the right time can change someone's world as well as your own. The resource section at the back of the book provides guidance and organizations that will help you channel and amplify your own acts of kindness. Here you'll discover how you can fund a surgery to cure someone's blindness with a donation of less than 200. Organizations through which you can provide a birthday gift for a child who otherwise wouldn't receive one. Multiple places where you can send letters of encouragement to support hospitalized kids, lonely seniors, refugees, veterans, and others in need. And over fifty more ways you can change a life. HumanKind will leave you grateful for what you have and provide a refuge from the negativity that surrounds us. This feel good book will touch your heart. You'll laugh, you'll cry, and you'll be reminded of what really matters. All author royalties go to Big Brothers Big Sisters.

Growing Up Empty Loretta Schwartz-Nobel, 2003-12-02. Growing Up Empty is a study of the hidden hunger epidemic that still remains largely unacknowledged at the highest political levels and an unforgettable exploration of public policy, its failures, and its victims. William Raspberry, Washington Post. Twenty years after Ronald Reagan declared that hunger was no longer an American problem, Schwartz-Nobel shows that hunger has reached epic proportions, running rampant through urban, rural, and suburban communities, affecting blacks, whites, Asians, Christians, and Jews, and nonbelievers alike. Among the people we come to know are the new homeless, born of the Welfare to Work program; these working poor have jobs but do not make enough to support their families, such as the formerly middle-class housewife reduced to stealing in order to feed her children, or the soldier fighting on our front lines while his young wife stands in bread lines and is denied benefits and baby formula at a military health clinic. With skillful investigative reporting and a novelist's humanitarian eye for detail, Schwartz-Nobel portrays a haunting reality of human suffering that need not exist. A call to action, Growing Up Empty is advocacy journalism at its best.

Breadline USA Sasha Abramsky, 2020-07-24. Twenty-five million Americans, nearly 9 percent of the U.S. population, rely on food pantries. Another 13 million aren't linked to a food distribution network, and 14 million children are at risk of going hungry on any given day. Moreover, the faltering economy is increasing the number of American families that don't know where their next meals are coming from. Breadline USA treats this crisis not only as a matter of failed policies but also as a portrait of real human suffering. Investigative reporter Sasha Abramsky focuses attention on the people behind the statistics, the families caught up in circumstances beyond their control. Breadline USA is a vivid reminder of the fate to which many more Americans may be subject without urgent action.
