Singh, 2004 Patterns of sublimation begin in childhood So does binary and hierarchical thinking The child must be trained to see in oppositions and on a scale of order So the story of nation and people race and culture begins as the bedtime story The author How else asks Rashna Singh do we explain the uncanny physical resemblance between Osama bin Laden and the evil Jaffar of Disney s motion picture Aladdin Singh provides a most persuasive argument for why these sentiments are both insidious and compelling and how they resonate to this day While she

includes such classic examples as *The Secret Garden*, *Robinson Crusoe* and the *Babar* series it is her inclusion of genuinely neglected fictions that lends her analyses a special richness. In an engaging narrative style Singh demonstrates how constructions of character evolve into cultural imprints which encourage their young readers to choose the goodly side with little thought of badly repercussions. *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas, Catherine Barr, 2004
