philosophy This brief introduction surveys philosophy's basic aims and defends its function in the Christian life *Guiguzi* ____: *On the Cosmological Axes of Chinese Persuasion [Hardcover Dissertation Reprint]* Daniel Coyle, 2012-04-27 This dissertation consists of a philological and philosophical exploration of the Guiguzi. It establishes the sinological background of the text through a detailed contextual study and locates Master Guigu in the Chinese intellectual tradition. Guiguzi is the legendary transmitter of the Sunzi bingfa Art of War tradition said to have bestowed his text upon Sun Bin. The research reveals that the Book of Master Guigu conceives a comprehensive art of persuasion by promoting an unassuaging efficacy within an early Daoist cosmological framework. Hardcover reprint from a new scan of the 2000 edition **Blue Collar Intellectuals** Daniel J. Flynn, 2023-09-26 Stupid is the new smart but it wasn't always so. Popular culture has divorced itself from the life of the mind. Who has time for great books or deep thought when there is Jersey Shore to watch, a text 2 respond 2 and World of Warcraft to play? At the same time, those who pursue the life of the mind have insulated themselves from popular culture. Speaking in insider jargon and writing unread books, intellectuals have locked themselves away in a ghetto of their own creation. It wasn't always so. *Blue Collar Intellectuals* vividly captures a time in the twentieth century when the everyman aspired to high culture and when intellectuals descended from the ivory tower to speak to the everyman. Author Daniel J. Flynn profiles thinkers from working class backgrounds who played a prominent role in American life by addressing their intellectual work to a mass audience. *Blue Collar Intellectuals* tells the fascinating story of the unschooled hobo who migrated from skid row anonymity to White House chats with the president and prime time TV specials. *Blue Collar Intellectuals* tells the fascinating story of The scandalous teacher student romance that spawned a half century labor of love in writing the history of the world. The Ivy League Ph.D. who held neither a high school nor college degree and fittingly launched a renaissance in reading the great books outside of formal schools. The scholarship student who experienced the free market firsthand waiting tables and peddling socks and who became one of capitalism's most influential exponents. The impoverished outcast who became the poet of the pulps elevating millions of readers along with heretofore marginal genres. Guiding us through a world now vanished, Flynn causes us to look anew at our own digital age and its nostrums. Video gaming is just a new form of literacy. Reality shows. Challenge our emotional intelligence and Who cares if Johnny can't read. The value of books is overstated. *Blue Collar Intellectuals* shows us how much everyone intellectual and everyman alike has suffered from mass culture's crowding out of higher things and the elite's failure to engage the masses *So Many Books, So Little Time* Sara Nelson, 2004-10-05 Will make many readers smile with recognition. The New Yorker Readaholics meet your new best friend. People. This book is bliss. The Boston Globe Sometimes subtle, sometimes striking, the interplay between our lives and our books is the subject of this unique memoir by well-known publishing correspondent and self-described readaholic Sara Nelson. The project began as an experiment with a simple plan: fifty-two weeks, fifty-two books that fell apart in the first week. It was then that Sara realized the books chose her as much as she chose them and the rewards and frustrations they brought.

were nothing she could plan for From Solzhenitsyn to Laura Zigman Catherine M to Captain Underpants the result is a personal chronicle of insight wit and enough infectious enthusiasm to make a passionate reader out of anybody **The Age of American Unreason** Susan Jacoby, 2009-02-01 A scathing indictment of American modern day culture examines the current disdain for logic and evidence fostered by the mass media religious fundamentalism poor public education a lack of fair minded intellectuals and a lazy credulous public condemning our addiction to infotainment from TV to the Web and assessing its repercussions for the country as a whole Reprint 75 000 first printing
