Review Digest C Edward Wall,2005-08 **The New Beacon** ,2004 **A Brief Guide to C. S. Lewis** Paul

Simpson,2013-09-19 November 2013 marks the 50th anniversary of the death of Clive Staples Jack Lewis when a memorial to him will be placed in Poet s Corner in Westminster Abbey Although perhaps best known as the author of the seven Chronicles of Narnia published between 1949 and 1954 Lewis also wrote The Pilgrim s Regress a trilogy of science fiction novels incorporating Christian themes and a large number of non fiction books about his faith accessible to Christians and non believers alike In a survey of the greatest British writers since 1945 the Times newspaper ranked Lewis eleventh ahead of Salman Rushdie Anthony Burgess and Ian Fleming A Brief Guide to C S Lewis explores Lewis s life from his reconversion to Christianity under the influence of his friend J R R Tolkien which had such a profound influence on his writing both fiction and non fiction to his marriage to American writer Joy Davidman Gresham and his battle with cancer He died on 22 November 1963 a day before the first ever episode of Dr Who a TV series with many links to his Narnia stories was shown Although this Brief Guide ranges well beyond the world of Narnia to explore other aspects of Lewis s life and his other writings it does not do so unusually among books on Lewis from the point of view of Christian scholarship thereby assuming much knowledge of theology on the part of readers That Lewis wrote about the problems of praying is significant the specific texts he discusses and dissects are likely to be of less significance to most readers The guide provides synopses of Lewis s fiction an overview of his other writings a biography and a look at all the many different versions of his stories that have appeared In doing so it draws on recent interviews by the author with some of the many talented people who have worked on these adaptations DVD, Blu-ray and Beyond Jonathan Wroot,Andy Willis,2017-11-03 This book demonstrates in contrast

to statistics that show declining consumption of physical formats that there has not been a mass shift towards purely digital media Physical releases such as special editions DVD box sets and Blu Rays are frequently promoted and sought out by consumers And that past formats such as VHS Laserdisc and HD DVD make for sought after collectible items These trends are also found within particular genres and niche categories such as documentary education and independent film distribution Through its case studies this collection makes a distinctive and significant intervention in highlighting the ways in which the film industry has responded to rapidly changing markets This volume global in scope will prove useful to those studying the distribution and exhibition of films and the economics of the film industry around the world **The Christian Writer's Manual of Style** Robert Hudson,2016-08-30 The standard style guide of the Christian publishing industry The Christian Writer s Manual of Style 4th Edition compiled by veteran Zondervan editor Robert Hudson contains clear guidance
