The Lirt Library Instruction Handbook:

LIRT Library Instruction Handbook Library Instruction Round Table (American Library Association), 1990-04-15 A training manual for development of a library instruction program On the role of the librarian as instructor and the steps and guidelines for involving staff faculty administrators students 1979-1990 Henryk Sawoniak, 2012-02-14 No detailed description available for 1979 1990 **Lifelong Learning in Public Libraries** Donna L. Gilton, 2012-03-15 This book demonstrates that public librarians can promote learning by combining the elements of Information Literacy Instruction ILI with traditional practices of public libraries It not only provides background on ILI and current developments in public library instruction *Handbook of Library Training Practice and Development* Alan Brine, 2016-04-22 Librarians must now work at a different level from that required 20 years ago but the training available is not always appropriate or accessible to all The authors of this volume have responded to this significant and continuing change within the profession by offering a much needed guide to best practice for staff training and development in library and information work This handbook addresses new aspects of service provision both in the UK and abroad and provides an up to date review of the current developments that are becoming increasingly important to librarians through the influence of the electronic age and the widening of areas of professional involvement The Handbook of Library Training Practice and Development will be invaluable to those responsible for the development of staff and line managers as well as providing a crucial insight into the information profession for anyone new to this career path or looking to develop their knowledge within it **The Academic Teaching Librarian's Handbook** Claire McGuinness, 2021-01-20 The Academic Teaching Librarian's Handbook is a comprehensive resource for academic library professionals and LIS students looking to pursue a teaching role in their work and to develop this aspect of their professional lives in a holistic way throughout their careers The book is built around the core ideas of reflective self development and informed awareness of one's personal professional landscape Through engaging with a series of exercises and reflective pauses in each chapter readers are encouraged to reflect on their professional identity self image self efficacy and progress as they consider each of the different aspects of the teaching role This handbook will provide a comprehensive resource on teaching professional development and reflective practice for academic teaching librarians at all stages of their careers explore the current landscape of teaching librarianship in higher education and highlight the important developments issues and trends that are shaping current and future practice examine the roles and responsibilities of the academic teaching librarian in the digital era introduce the essential areas of development skill and knowledge that will empower current and future professionals in the role inspire prospective and current academic teaching librarians to adopt a broad conception of the role that goes beyond the basic idea of classroom based teaching and provide practical tools to engage in personal development and career planning in this area The Academic Teaching Librarian's Handbook is an indispensable reference suitable for early career professionals at the start of their teaching journey as well as mid or late

career librarians who may have moved into leadership and managerial roles and who wish to advance their teaching role to the next level *Information Literacy Instruction Handbook* Christopher N. Cox, Elizabeth Blakesley, 2008 Practical Pedagogy **Reference and Information Services** Richard E. Bopp, Linda C. Smith, 2011-05-23 Reflecting the dramatic changes shaped by rapidly developing technologies over the past six years this new fourth edition of *Reference and Information Services* takes the introduction to reference sources and services significantly beyond the content of the first three editions In Part I Concepts and Processes chapters have been revised and updated to reflect new ideas and methods in the provision of reference service in an era when many users have access to the Web In Part II Information Sources and Their Use discussion of each source type has been updated to encompass key resources in print and on the Web where an increasing number of freely available sources join those purchased or licensed by libraries A number of new authors are contributors to this new edition bringing to their chapters their experience as teachers of reference and as practitioners in different types of libraries Discussions of services in Part I integrate digital reference as appropriate to each topic such as how to conduct a reference interview online using instant messaging Boxes interspersed in the text are used to present scenarios for discussion to highlight key concepts or to present excerpts from important documents Discussions of sources in Part II place more emphasis on designing effective search strategies using both print and digital resources The chapter on selection and evaluation of sources addresses the changing nature of reference collections and how to evaluate new types of sources Each chapter concludes with an updated list of additional readings to guide further study A new companion website will provide links to Web accessible readings and resources as well as additional scenarios for discussion and example search strategies to supplement those presented in the text *Reference & User Services Quarterly* ,2000 *Information Literacy Instruction* Esther S. Grassian, Joan R. Kaplowitz, 2009 The second edition of this guide for librarians who need to implement informational literacy programs for diverse learners has been revised to include new practices and technologies in the 21st century Grassian served as a library administrator at the UCLA College Library and she has teamed with fellow UCLA librarian Kaplowitz to deliver a plan that focuses on goal setting mode selection design copyright and assessment of these programs A CD ROM is included that contains sample mission statements tables that evaluate assessment tools practice handouts and links to interactive Web pages Annotation 2010 Book News Inc Portland OR booknews.com *Information Literacy Instruction that Works* Patrick Ragains, 2013-06-27 Readers will find strategies and techniques for teaching college and university freshmen community college students students with disabilities and those in distance learning programs
