Children of the Earth Alice Brown, 2003

Mary out O' the Earth John Stchur, 2019-03-23 Mary Out O the Earth is the story of a forty year old widower named David Rigert who falls in love with a woman who is not at all who or what he believes her to be She is in fact only half human It is a story that hopefully captures the awful essence of what it must be like to wake up in dawn's early light turn to the spouse or lover lying next to you and just catch peripherally a fleeting glance of a really wicked set of three inch fangs receding back into your beloved's gums But Mary doesn't know that she is half beast or that she has a half alien mind and possesses enormous physical strength beneath her porcelain curves and red hair beauty She doesn't know she is programmed to kill and worse to love so that the imperatives of an alien world might be fulfilled Or that her other self can quash her good half at will down

down until all that remains when she awakens are its malevolent ghostly footprints on her soul She doesn't know but she will learn And that is when the internal screams begin *Children of the Earth* Anna Schumacher, 2015-06-02 Plenty of crowd pleasing death and destruction Schumacher wraps up her story with a literal bang Booklist Seven signs warned them Now it's time for Carbon County to fight back In *End Times* Daphne lost herself in love with Owen only to discover the dark secret that puts Carbon County at ground zero for the end of days All thirteen of the Children of Earth have arrived and taken root in town Together at last they can perform the series of rituals necessary to awaken their father a wrathful entity known as the God of the Earth Daphne protects their identities from Pastor Ted and the God fearing locals out of love and allegiance to Owen But when people start disappearing from town and Daphne begins receiving visions from God her allegiance and even her love is brought into question in this astonishing companion novel to *End Times* *Song of the Earth* John R. Dann, 2005-12-27 In John R. Dann's thrilling and romantic prehistoric saga *Song of the Axe* the tribe's chieftain was called Grae after a famous ancestor Now Dann returns to tell the saga of the wanderings of one prehistoric tribal family over several generations always led by that famous original Grae and by his children The powerful daughters of River Woman saved young Grae from a flooded river after a volcano erupted and destroyed their tribal home Then they made him chief but that's almost the last thing they agree on before the tribe splinters Grae leads the main group out of Africa ever northward into central and eastern Europe always searching for safety and a better life Challenged by truly monstrous evil tribes but guided by spirits they survive It takes three generations and three chieftains named Grae before the tribe comes to rest Their story is an adventure on the grandest scale full of dangers romance and beguiling mystery in an exotic setting A rich and complex story told with simplicity authenticity and vigor *Song of the Earth* is a worthy companion to *Song of the Axe* New People Of The Flat Earth Brian Short, 2018-01-16 A man chases after a mysterious metal object that may not even exist and his journey leads him on to ever greater levels of madness dissociation and metaphysical conundrums After ten years in a Zen monastery Proteus knows it's time to leave A troubled solitary man he knows what he seeks is not to be found sitting in meditation His problem is that during his time at the monastery he's discovered something strange inside his mind the ability to connect with a mysterious silent metallic spherical object he calls Mosquito His connection to this possibly extraterrestrial object which seems to dwell on an existential plane of its own gives Proteus a flimsy sense of purpose So when Mosquito abruptly disappears one day Proteus can't bear the loss and he sets off in pursuit of answers Thus starts a surreal philosophically maddening quest for meaning Chasing the elusive Mosquito leads Proteus to in between worlds where things do not quite hold together and where the living and the dead must learn to live in and out of the boundaries of time The further he gets from sanity the closer he comes to something that may turn out to be wisdom Playful but unapologetically challenging *New People of the Flat Earth* is a breathtakingly original novel that defies categorisation or summary *Make The Most Of Your Time On Earth 3* Rough Guides, 2015-04-01 Rough Guides bestselling inspirational travel ebook featuring
