The Sinners of San Ramon William Montalbano,1989

Powder Burn Carl Hiaasen,Bill Montalbano,1998-06-30

Architect Chris Meadows has the bad luck to see an old girlfriend get hit by a car full of drugland hitmen He has the worse luck to see the face of her murderers Because in a town as violent as Miami a witness doesn't stand a chance especially when the cops who ought to be protecting him are more interested in dangling him as live bait Carl Hiaasen David

Geherin,2018-12-03 Carl Hiaasen has been described as one of the funniest crime writers in decades America's finest satirical novelist and a great American writer about the great American subjects of ambition greed vanity and disappointment A columnist for thirty years Hiaasen also wrote several award winning young adult books but is best known for his 14 crime novels His distinctive blend of outrageous humor and biting satire appeals to mystery fans as well as readers of comic fiction and those interested in social and environmental issues The author examines Hiaasen's entire body of work from his earliest writing as a reporter and then columnist for the Miami Herald to his bestselling novels for both adult and young readers While much of his writing focuses on his beloved Florida his work has a universal appeal that has earned him global fame

Peregrino Ron Austin,2010-12-21 Ron Austin first wandered purposefully into

Mexico more than fifty years ago when he produced a documentary on Mexican history for American television Over the next decades as his acquaintance with Mexico deepened so too did his appreciation for the rich and contradictory impulses of

Mexican culture and for the beauty of its people and their expressions of faith At once guidebook history memoir and tribute Austin s Peregrino engagingly explores the spiritual and cultural heart of Catholic Mexico Though once merely a tourist peering in a stranger to this distinctive faith and culture Austin now a devout Catholic and part year resident of Mexico writes with respect affection and deep understanding as he invites fellow pilgrims peregrinos to regard both Mexico and their own cultures of faith in a new light Santos Marie Romero Cash,2008 This series of line drawings by legendary Santera saint maker Marie Romero Cash depict many of the popular saints painted by the santeros of the eighteenth and nineteenth centuries in Northern New Mexico The saints have always been an integral part of the culture Marie says so much so that in the eighteenth and nineteenth centuries in New Mexico the art of the religious folk art of the santero became a part of its history In creating this coloring book my goal was to not only impart knowledge about the santero culture but to provide images that could be colored in by children or adults and could also be used for many other purposes including embroidery or various decorative arts Each full page image is suitable for coloring by children at playtime or in a classroom setting Easy to read information on many popular patron saints is included as is the feast day of each saint Teachers will find this coloring book a valuable teaching tool There is also an author preface and an article about Marie Romero Cash by well known journalist Kay Lockridge Born in Santa Fe Marie Romero Cash has been a Santera saint maker for over thirty years Her award winning works are in major museums and private collections throughout the United States Mexico Africa and The Vatican She has written several books and magazine articles on the culture and religion of Northern New Mexico and has lectured widely on the subject for the New Mexico Endowment for the Humanities
