The affair of course had been a marriage of convenience Blake to do him justice had made no pretence to anything beyond admiration and regard Few things grow monotonous sooner than irregularity He would tickle his jaded palate with respectability and try for a change the companionship of a good woman The girl's face drew him as the moonlight holds a man who bored by the noise turns from a heated room to press his forehead to the window pane Accustomed to bid for what he wanted he offered his price The Eppington family was poor and numerous The girl bred up to the false notions of duty inculcated by a narrow conventionality and feminine like half in love with martyrdom for its own sake let her father bargain for a higher price and then sold herself
