Robert Creech,2021-10-26 A veteran Baptist pastor and ministry professor offers a distinctive free church vision for pastoral leadership attending to voices from the past four centuries as they speak about the practice of ministry The book contains theological reflection on current ministry issues among Baptists based on biblical and historical foundations and reflects a diversity of Baptist life across time and around the world including many different voices Each chapter contains reflection questions to help readers consider the implications of Baptist thinking **Skillful Shepherds** Derek Tidball,1997 This classic treatment of pastoral ministry in the Bible history and today examines the foundations of pastoral theology and uses five major themes including belief and forgiveness to show how pastoral theology works in the church **Pastoral Ministry** Deron J. Biles,Paige Patterson,Jason G. Duesing,2017-11-01 Pastoral Ministry brings together the mandate of God the needs of the sheep and the model of the good Shepherd to uniquely inspire and equip you to fulfill your ministry as a shepherd Practical Theology and Pierre-André Liégé Revd Dr Nicholas Bradbury,2015-08-28 Pierre Andr Li g one of the foremost French theologians of the 20th century influenced John XXIII and Paul VI and sat on Vatican II committees with both the future John Paul II and Benedict VI Fifty years on from Vatican II is a good time to remember the decade of dramatic struggle and pioneering work that preceded it and review what it accomplished This book explores the life and work of Pierre Andr Li g presenting it to an English speaking readership for the first time Discussing the impact and profound challenges Liege s work raises for spirituality and church life today Bradbury tackles issues including the organisation of parish life rooted in theological criteria cradle to grave corporate Christian formation a compelling vision of what the church is for and why and how should this be expressed in practice Bradbury argues that for faith to match real life the church today needs to let go of much baggage align its talk to its action and radically re examine the question of what the church needs to do to conform to the Gospel This book takes critical issues confronting practical theology and the church breaking them open in a lively and accessible style **Jesus Driven Ministry** Ajith Fernando,2007 In spite of good intentions too many Christian workers today burn out and quit How can you avoid failing as a Christian leader **Practical Theology and Pierre-André Liégé** Nicholas Bradbury,2016-03-03 Pierre Andr Li g one of the foremost French theologians of the 20th century influenced John XXIII and Paul VI and sat on Vatican II committees with both the future John Paul II and Benedict VI Fifty years on from Vatican II is a good time to remember the decade of dramatic struggle and pioneering work that preceded it and review what it accomplished This book explores the life and work of Pierre Andr Li g presenting it to an English speaking readership for the first time Discussing the impact and profound challenges Liege s work raises for spirituality and church life today Bradbury tackles issues including the organisation of parish life rooted in theological criteria cradle to grave corporate Christian formation a compelling vision of what the church is for and why and how should

this be expressed in practice Bradbury argues that for faith to match real life the church today needs to let go of much baggage align its talk to its action and radically re examine the question of what the church needs to do to conform to the Gospel This book takes critical issues confronting practical theology and the church breaking them open in a lively and accessible style Understanding 5fold Ministry Stefan Sos,2006-09 *Moral Leadership in the Church: a Normative Approach* Bishop Felix Clarence Orji,2013-05-15 In a time of confusion uncertainty debate and division regarding what constitutes right moral behaviour the subject of responsible moral leadership in the church takes on fresh urgency But at this critical time of need for moral leadership too many clergy simply mirror the uncertainty or abnegate the responsibility This book addresses this anomaly specifically by proposing a normative model for moral leadership in the local church Pastors and leaders of all Christians traditions will find this book very informative and useful The book begins with an overview of the historical theological and biblical bases for Christian leadership and more particularly what the moral dimension of such leadership means Various Christian traditions are surveyed for insights into the character vision and tasks of moral leadership including the authoritative sources for ethical reflection and moral guidance Since Dr Felix Orji is a Bishop in the Anglican Communion he includes a chapter on that tradition to give a sense of the ecclesiastical ethos in which presbyters must exercise such leadership This is followed by a clear examination of Scripture in regard to what it tells us about moral leadership This book ends with a detailed normative model for moral leadership in the church and a leadership training resource specifically designed for such leadership
