led to new challenges regarding both craft and pedagogy Here like Toni Morrison s *Playing in the Dark* or Jeff Chang s *Who We Be* A Stranger s *Journey* breaks new ground in our understanding of the relationship between the issues of race literature and culture The book s second central question involves structure How does one tell a story Mura provides clear insightful narrative tools that any writer may use taking in techniques from fiction screenplays playwriting and myth Through this process Mura candidly explores the newly evolved aesthetic principles of memoir and how questions of identity occupy a central place in contemporary memoir *Linguistics, language teaching, and composition in the grades* James W.
