

The Economics of Child Support

Andrea H. Beller and John W. Graham

Small Change The Economics Of Child Support

AN Whitehead

Small Change The Economics Of Child Support:

Small Change Andrea H. Beller, John W. Graham, 1996-02-21 An analysis of child support payments during the 1980s which assesses what went right and what went wrong with them The authors investigate the socioeconomic and legal factors that determined child support awards and receipts and offer policy recommendations for the future

The Law and Economics of Child Support Payments William S. Comanor, 2004-01-01 This urgently needed groundbreaking book provides solid data that coincides with the real life stories I have been hearing for years from men and women nationwide regarding unfair child support laws and policies that have resulted in adverse effects on their children and families I anticipate that this book will have a major positive impact on social policy and the general collective attitudes toward families in today's society The information presented in this book must be read and understood by every policymaker to insure that child support policies are made just and fair so that all families can prosper Dianna Thompson National Family Justice Association US The delinquent payment of child support by non custodial to custodial parents is a major problem throughout the United States To many observers the problem is one of deadbeat dads men who simply will not make the required payments The solution has been to enforce payment by the imposition of increasingly stringent civil and criminal penalties Despite these efforts the percentage of single mothers receiving child support has changed very little over the past twenty five years The Law and Economics of Child Support Payments investigates why this is and approaches the payment of child support as an economic problem

Child Support and Child Well-being Irwin Garfinkel, 1994

Child Support and the Educational Attainment of Young Adults Pedro M. Hernandez, 2021-08-05 This book examines the effects of child support payments on the educational attainment of young adults in the United States during the 1980s This study uses the human capital and household production models to examine the effect of child support income and other family income on the educational attainment of children Investments in children's human capital are made with inputs of time and market goods and services The focus of this book is on schooling as an investment in children's human capital This book may be a useful resource for researchers in a variety of disciplines who are interested in examining the effect of different legislative actions on the well being of children In addition this study may be used as a supplemental reading in a number of academic settings such as economics sociology and public policy

Child Support J. Thomas Oldham, Marygold Shire Melli, 2000 Explores the issues in reform of child support laws

Killing the Black Body Dorothy Roberts, 2014-02-19 Killing the Black Body remains a rallying cry for education awareness and action on extending reproductive justice to all women It is as crucial as ever even two decades after its original publication A must read for all those who claim to care about racial and gender justice in America Michelle Alexander author of The New Jim Crow In 1997 this groundbreaking book made a powerful entrance into the national conversation on race In a media landscape dominated by racially biased images of welfare queens and crack babies Killing the Black Body exposed America's systemic abuse of Black women's bodies From

slave masters economic stake in bonded women s fertility to government programs that coerced thousands of poor Black women into being sterilized as late as the 1970s these abuses pointed to the degradation of Black motherhood and the exclusion of Black women s reproductive needs in mainstream feminist and civil rights agendas Compelling Deftly shows how distorted and racist constructions of black motherhood have affected politics law and policy in the United States Ms

Shortchanged Mariko Lin Chang,2012-02-16 The first book to focus on the differences in wealth between women and men Mariko Lin Chang draws on the most comprehensive national data on wealth and on in depth interviews to show how differences in earnings in saving and investing and most important the demands of care giving all contribute to the gender wealth gap A comprehensive portrait of where women and men stand with respect to wealth Shortchanged not only sheds light on why women lack wealth but also offers solutions for improving the financial situation of women men and families

Criminal Penalty for Flight to Avoid Payment of Arrearages in Child Support United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime and Criminal Justice,1992 Work, Family, Health, and Well-Being Suzanne M. Bianchi,Lynne M. Casper,Rosalind Berkow King,2006-04-21 This work grew out of a conference held in Washington D C in June 2003 on Workforce Workplace Mismatch Work Family Health and Well Being sponsored by the National Institute of Health NIH The text considers multiple dimensions of health and well being for workers and their families children and communities Annual World Bank Conference on Development Economics 1995 Michael Bruno,Boris Pleskovic,1996 Annotation The 1995 conference continued the tradition of holding a roundtable discussion related to the subject of the forthcoming annual World Development Report in this case economies in transition The conference addressed four themes redistribution with growth demographic change and development aid and development and fiscal decentralization Among the articles included in the 1995 proceedings are Argentina s Miracle From Hyperinflation to Sustained Growth Domingo F Cavallo and Guillermo Mondino Inequality Poverty and Growth Where Do We Stand Albert Fishlow Government Provision and Regulation of Economic Support in Old Age Peter Diamond Is Growth in Developing Countries Beneficial to Industrial Countries Richard N Cooper Fiscal Federalism and Decentralization A Review of Some Efficiency and Macroeconomic Aspects Vito Tanzi **The Cambridge Companion to Gender and the Law** Stéphanie Hennette Vauchez,Ruth

Rubio-Marín,2023-01-26 To what extent is the legal subject gendered Using illustrative examples from a range of jurisdictions and thematically organised chapters this volume offers a comprehensive consideration of this question With a systematic accessible approach it argues that law and gender work to co produce the legal subject Cumulatively the volume s chapters provide a systematic evaluation of the key facets of the legal subject the corporeal the functional and the communal Exploring aspects of the legal subject from the ways in which it is sexed and sexualised to its national and familial dimensions this volume develops a complete account of the various processes through which legal orders produce gendered subjects Across its chapters each theoretically ambitious in its own right this volume outlines how the law not only acts on the social

world but genders it *Routledge Handbook of Family Law and Policy* John Eekelaar, Rob George, 2014-05-09 Changes in family structures demographics social attitudes and economic policies over the last sixty years have had a large impact on family lives and correspondingly on family law This book provides global perspectives on the policy challenges facing family law and policy round the world The chapters apply legal sociological demographic and social work research to explore the most significant issues that have been commanding the attention of family law policy makers in recent years Featuring contributions from a range of renowned global experts the book draws on multiple jurisdictions and offers comparative analysis across a range of countries The book addresses a range of issues including the role of the state in supporting families and protecting the vulnerable children s rights and parental authority sexual orientation and gender in family law the status of marriage and other forms of adult relationships divorce and separation and their consequences the relationship between civil law and the law of minority groups assisted conception movement of family members between jurisdictions This advanced level reference work will be essential reading for students researchers and scholars of family law and social policy as well as policy makers in the field The Elgar Companion to Feminist Economics Janice Peterson, Margaret Lewis, 2001-01-01 Comprehensive reference work introducing readers to the field of feminist economics It addresses key concepts as well as feminist economic critiques and reconstructions of major economic theories and policy debates The Blackwell Companion to Law and Society Austin Sarat, 2008-04-15 The Blackwell Companion to Law and Society is an authoritative study of the relationship between law and social interaction Thirty two original essays by an international group of expert scholars examine a wide range of critical questions Authors represent various theoretical methodological and political commitments creating the first truly global overview of the field Examines the relationship between law and social interactions in thirty three original essay by international experts in the field Reflects the world wide significance of North American law and society scholarship Addresses classical areas and new themes in law and society research including the gap between law on the books and law in action the complexity of institutional processes the significance of new media and the intersections of law and identity Engages the exciting work now being done in England Europe Australia and New Zealand South Africa Israel as well as Third World scholarship Handbook of Measurement Issues in Family Research Sandra L. Hofferth, Lynne M. Casper, 2013-04-15 Dramatic societal changes have reshaped America s families Young adults have delayed marriage and cohabitation before marriage has become commonplace One in three women giving birth is unmarried and the proportion of children under 18 living in single parent families rose from 23 to 31 percent between 1980 and 2000 reflecting increased rates of both nonmarital childbearing and divorce This authoritative volume offers a blueprint for addressing some of the most important measurement issues in family research and it points out potential pitfalls for researchers and students who may not be familiar with data quality issues The Handbook of Measurement Issues in Family Research will appeal to scholars in the departments of psychology sociology and population studies as well as researchers

working in governmental agencies

The Case for Marriage Linda Waite, Maggie Gallagher, 2002-03-05 A groundbreaking look at marriage one of the most basic and universal of all human institutions which reveals the emotional physical economic and sexual benefits that marriage brings to individuals and society as a whole The Case for Marriage is a critically important intervention in the national debate about the future of family Based on the authoritative research of family sociologist Linda J Waite journalist Maggie Gallagher and a number of other scholars this book s findings dramatically contradict the anti marriage myths that have become the common sense of most Americans Today a broad consensus holds that marriage is a bad deal for women that divorce is better for children when parents are unhappy and that marriage is essentially a private choice not a public institution Waite and Gallagher flatly contradict these assumptions arguing instead that by a broad range of indices marriage is actually better for you than being single or divorced physically materially and spiritually They contend that married people live longer have better health earn more money accumulate more wealth feel more fulfillment in their lives enjoy more satisfying sexual relationships and have happier and more successful children than those who remain single cohabit or get divorced The Case for Marriage combines clearheaded analysis penetrating cultural criticism and practical advice for strengthening the institution of marriage and provides clear essential guidelines for reestablishing marriage as the foundation for a healthy and happy society A compelling defense of a sacred union The Case for Marriage is well written and well argued empirically rigorous and learned practical and commonsensical William J Bennett author of The Book of Virtues Makes the absolutely critical point that marriage has been misrepresented and misunderstood The Wall Street Journal www.broadwaybooks.com

Making the Best of Semen Anita Bernstein, 2025-12-02 Making the Best of Semen shows how and why regulation can manage the only substance that both makes people and makes people sick an urgent American imperative especially with the constitutional right to abortion now gone and a national government inclined to enlarge semen s two superpowers

Challenging the Public/private Divide Susan B. Boyd, 1997-01-01 Feminist scholars in disciplines ranging from law to geography challenge our traditional notion of a public private divide in legal and public policy in Canada and internationally

The Rights Revolution Samuel Walker, 1998 Walker offers a vigorous defense of the rise of personal rights in America conceding that the expansion of individual rights does present problems but insisting that the gains far outweigh the losses

Fathers Under Fire Irwin Garfinkel, Sara S. McLanahan, Daniel R. Meyer, Judith A. Seltzer, 1998-11-01 This important and highly informative collection of studies on nonresident fathers and child support should be of great value to scholars and policymakers alike American Journal of Sociology Over half of America s children will live apart from their fathers at some point as they grow up many in the single mother households that increasingly make up the nation s poor Federal efforts to improve the collection of child support from fathers appear to have little effect on payments and many critics have argued that forcing fathers to pay does more harm than good Much of the uncertainty surrounding child support policies has stemmed from a lack of hard data on nonresident fathers Fathers Under Fire presents the best available

information on the financial and social circumstances of the men who are at the center of the debate In this volume social scientists and legal scholars explore the issues underlying the child support debate chief among them on the potential repercussions of stronger enforcement Who are nonresident fathers This volume calls upon both empirical and theoretical data to describe them across a broad economic and social spectrum Absentee fathers who do not pay child support are much more likely to be school dropouts and low earners than fathers who pay and nonresident fathers altogether earn less than resident fathers Fathers who start new families are not significantly less likely to support previous children But can we predict what would happen if the government were to impose more rigorous child support laws The data in this volume offer a clearer understanding of the potential benefits and risks of such policies In contrast to some fears stronger enforcement is unlikely to push fathers toward But it does seem to have more of an effect on whether some fathers remarry and become responsible for new families In these cases how are subsequent children affected by a father s pre existing obligations Should such fathers be allowed to reduce their child support orders in order to provide for their current families Should child support guidelines permit modifications in the event of a father s changed financial circumstances Should government enforce a father s right to see his children as well as his obligation to pay support What can be done to help under or unemployed fathers meet their payments This volume provides the information and insight to answer these questions The need to help children and reduce the public costs of welfare programs is clear but the process of achieving these goals is more complex Fathers Under Fire offers an indispensable resource to those searching for effective and equitable solutions to the problems of child support

Small Change The Economics Of Child Support Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be much more evident than ever. They have the capability to inspire, provoke, and ignite change.
