The Complete Book of Soups and Stews Bernard Clayton, Jr., Bernard Clayton, 1987

Bernard Clayton Jr's first book *The Complete Book of Breads* won the coveted Tastemaker cookbook award and was praised by Craig Claiborne as perhaps the best book on the subject in the English language. Of Clayton's *The Complete Book of Pastry* which also received a Tastemaker award Claiborne said "One of the most important cookbooks of this year if not this decade." Now this highly respected author turns his attention to soups and stews. From his travels around the world Clayton has put together an eclectic collection of 250 soup recipes and 50 stew recipes adding to the clear instructions, personal anecdotes and historical background throughout. He covers a wide range of soups from Asparagus and Crab to Peach Buttermilk. American classics such as New England Chowder, Burgoo and U.S. Senate Bean Soup share the spotlight with such international gems as Japanese Shabu Shabu, Nigerian Peanut Soup and Scottish Cock-a-Leekie Soup. After a thorough discussion of the many kinds of stocks from Brown Stock to Vegetable Stock, Mr. Clayton includes for those of us who are lazy the pros and cons of homemade versus storebought stock along with tricks and tips to improve the latter. With recipes that are well written and easy to follow, Clayton shows that soup making is neither time consuming nor difficult and in any case is well worth the effort.

Soup and Bread Cookbook Martha Bayne, 2011-11-08 The *Soup and Bread Cookbook* aims to explore the social role of soup through a collection of terrific, affordable recipes from food activists, chefs and others. This quirky exploration of the cultural history of soup as a tool for both building community and fostering social justice is the result of a brainstorm: eating your way through a pot of soup day after day can get boring; why not get together and swap some with friends? Now neighbors across the country are getting together regularly for home-based soup swaps. In Chicago, the arts collective InCUBATE uses soup as a microfunding tool. And of course, soup can be a political statement: the radical volunteers of Food Not Bombs have been providing free vegetarian soup to the hungry as a protest against war and social injustice since 1980. These are just a few examples of the stories Bayne wraps around a collection of delicious, accessible and tested soup recipes.
