Smith, 2007-12-12 Cosmopolitan Culture and Consumerism in Chick Lit focuses on the literary phenomenon popularly known as chick lit and the way in which this genre interfaces with magazines self help books romantic comedies and domestic advice publications This recent trend in women's popular fiction which began in 1996 with the publication of British author Helen Fielding's novel Bridget Jones's Diary uses first person narration to chronicle the romantic tribulations of its young single white heterosexual urban heroines Critics of the genre have failed to fully appreciate chick lit's complicated representations of women as both readers and consumers In this study Smith argues that chick lit questions the consume and achieve promise offered by advice manuals marketed toward women subverting the consumer industry to which it is so closely linked and challenging cultural expectations of women as consumers readers and writers and of popular fiction itself      *Women Who Love Men Who Kill* Sheila Isenberg, 2021-10-19 The engrossing thoroughly researched look at women who are in romantic relationships with incarcerated men fully updated with twenty first century cases Publishers Weekly In 1991 Sheila Isenberg's classic study Women Who Love Men Who Kill asked the provocative question Why do women fall in love with convicted murderers Now Isenberg returns to the same question in the age of smart phones social media mass shootings and modern prison dating The result is a compelling psychological study of prison passion in the new millennium Isenberg conducts extensive interviews with women who seek relationships with convicted killers as well as conversations with psychiatrists social workers and

*Understanding the Women of Mozart's Operas* Kristi Brown-Montesano, 2021-11-09 Is *The Marriage of Figaro* just about Figaro Is Don Giovanni's story the only one or even the most interesting one in the opera that bears his name For generations of critics historians and directors it's Mozart's men who have mattered most Too often the female characters have been understood from the male protagonist's point of view or simply reduced on stage and in print to paper cutouts from the age of the powdered wig and the tightly cinched corset It's time to give Mozart's women and Mozart's multi dimensional portrayals of feminine character their due In this lively book Kristi Brown Montesano offers a detailed exploration of the female roles in Mozart's four most frequently performed operas *Le nozze di Figaro* *Don Giovanni* *Cos fan tutte* and *Die Zauberflöte* Each chapter takes a close look at the music libretto text literary sources and historical factors that give shape to a character re evaluating common assumptions and proposing fresh interpretations Brown Montesano views each character as the subject of a story not merely the object of a hero's narrative or the stock figure of convention From amiable Zerlina to the awesome Queen of the Night to calculating Despina all of Mozart's women have something unique to say These readings also tackle provocative social political and cultural issues which are used in the operas to define positive and negative images of femininity revenge power seduction resistance autonomy sacrifice faithfulness class maternity and sisterhood Keenly aware of the historical gap between the origins of these works and contemporary culture Brown Montesano discusses how attitudes about such concepts past and current influence our appreciation of these fascinating representations of women
