Dear Charlie Rianna Shaikh,2015-10-27 Dear Charlie was what was written on plain paper in ink stain bouts Oh why would a friend leave without a goodbye his mind ached aloud Where the waves crashed no more and over the walls of a mansion vines grew and rabbits skittered on acres of green Charlie became ill and all he knew was the words the walls caterwauled Clocks ticking Marco skipping Hayley scampered far away his family was there to help him through his bitter blue dingy lonely days Oh what a rigmarole is this sort of a tale Charlie's Wives Simon Luckhurst,2016-07-20 Norfolk Virginia 1864 Charlie Brewster arrives to recruit African American soldiers for the Union He is recently returned from three years of service and though he s physically uninjured his psychological battle scars run deep He survived the war can he survive the peace Tensie Stevens husband is at the front She cannot read or write and wants to send him letters so Charlie offers to put her words on paper She has never known a white man show this much kindness As a former slave she is scarred too although some of hers are physical She helps him recruit other soldiers and he writes letters for their wives as well So near to the world of war and men he starts to learn about intimacy and women *Belle of the Brawl* Lisi Harrison,2010-10-05 Eccentric billionaire Shira Brazille founded the super exclusive Alpha Academy to nurture the next generation of exceptional dancers writers musicians and inventors It s a dream come true for one hundred lucky girls but those not measuring up will be sent home at any time for any reason The one left standing will win worldwide fame Who will it be Skye Hamilton For Skye breaking boys hearts is easier than one two plie But if she hurts emo freak Sydney Shira will send her packing Skye s only choice Make him dump her first But how can she convince robo Romeo she s not his Juliet Charlie Deery Charlie s brilliant brain designed almost everything on Alpha Island but her broken heart could never get over Darwin Brazille Now she has a chance to get him back But to say hello to true love she may have to say buh bye to her friendship with Allie A Allie A Abbot After being exposed as an Allie J imposter Allie A is as worthless as a five time markdown on the clearance shoe rack But the real stain on her suede bootie She still hasn t found her talent And with girls leaving faster than you can say Beta will Allie A be the next to go If at first you don t succeed you re not an alpha **North Carolina String Music Masters** Elizabeth A. Carlson,2016-02-08 North Carolina musicians pioneered and mastered the genres of old time and bluegrass music The roots of American music are deeply grounded in North Carolina s music history Doc Watson played mountain fiddle tunes on guitar He emerged as the father of flatpicking and forever changed the role of the guitar in American music Charlie Poole created techniques that eventually defined bluegrass and folks around the state heard his banjo on some of the most important old time recordings Rising star Rhiannon Giddens keeps the music alive today through new interpretations of classic old time and bluegrass songs Elizabeth Carlson profiles these and other masters of string music in this fascinating record of North Carolina s musical past present and future *Extra Normal* Kate Alice Marshall,2023-08-29 It s hard to fight the supernatural when you re naturally un super This chilling middle grade is perfect

for fans of *Stranger Things* and *Scary Stories to Tell in the Dark* even if they don't have any special powers Charlie Greer is nothing special at least not compared to her adopted siblings Her younger sister is a ghost Her brother Mateo is a werewolf Gideon is the product of seriously sketchy experiments that gave him telekinetic powers Even her parents work for the Division of Extranormal Investigations tracking down all things supernatural alien and otherwise unusual Charlie's mom says her superpower is maturity which doesn't really count But what Charlie lacks in powers she makes up for by keeping the household running Now with her parents off on their first vacation in years it's up to her to take care of her siblings and make sure nothing disrupts the trip But then the new neighbors arrive The Weavers are a nice normal couple Too nice and too normal And for some reason they don't seem to want Charlie to see inside their house She's certain they're hiding something Charlie has to uncover what's going on with the Weavers and stop their plans without letting Mom and Dad find out anything is wrong
