 theology today cannot be overstressed It is absolutely necessary if the Church is to be in the position to offer to all peoples
 the mystery of salvation and the fullness of life brought by God in Christ Inculturation demands that the revelation takes root
 in the culture in order to become part and parcel of the people s life pattern and to be in turn enriched by the cultural values
 of the people Although the fullness of revelation took place in time space and culture it is not exclusively tied up to any
 particular culture race or time Revelation cuts across all boundaries and it is open to receive all and be received by all
 cultures As the life of the Church is seen in the liturgy the tasks facing liturgy today are quite enormous Liturgy must seek
 authentic means of creating a worshipping community through the celebration of the mysteries of Christ the Eucharist the
 Sacraments Liturgy of the hours and Sacramentals As a holy people of God the faithful are entitled to a liturgy that is at their
 disposition They need to understand what they celebrate and participate actively in it They require as a matter of necessity a
 liturgy that transforms the inner realities of their being and the entire humanity The process of achieving this great goal
 constitutes the main bulk of this work In effect this book contains a representation of some cultural reactions to and
 enrichment of the reformed liturgy of the Second Vatican Council en route in Africa **The Welcoming Church** ,2000
