War at Sea James P. Delgado, 2021-11-15 From an author who has spent four decades in the quest for lost ships this lavishly illustrated history of naval warfare presents the latest archaeology of sunken warships It provides a unique perspective on the evolution of naval conflicts strategies and technologies while vividly conjuring up the dangerous life of war at sea

Tinclads in the Civil War Myron J. Smith, Jr., 2010-01-13 Once the Union Army gained control of the upper rivers of the Mississippi Valley during the first half of 1862 slow and heavy ironclads proved ineffective in patrolling the waters Hastily outfitted steamboats were covered with thin armor and pressed into duty These tinclads fought Confederate forces attacking from the riverbanks provided convoy for merchant steamers enforced revenue measures and offered tow dispatch and other fleet support services This history documents the service records and duties of these little known vessels of the Union fleet
