Sir Gawain And The Green Knight And The French Arthurian Romance:

Sir Gawain and the Green Knight and French Arthurian Romance Ad Putter,1995 This is an innovative and original exploration of the connections between Sir Gawain and the Green Knight one of the most well known works of medieval English literature and the tradition of French Arthurian romance best known through the works of Chretien de Troyes two centuries earlier The book compares Gawain with a wide range of French Arthurian romances exploring their recurrent structural patterns and motifs their ethical orientation and the social context in which they were produced It presents a wealth of new sources and analogues which provide illuminating points of comparison for analysis of the self consciousness with which the Gawain poet handled the staple ingredients of Arthurian romance Throughout Ad Putter plays close attention to the ways in which the modes of representation of Arthurian romance are related to social and historical context By revealing in the course of their romances the importance of conscience courtliness and self restraint literati such as the Gawain poet and Chretien de Troyes helped a feudal society with an obsolete chivalric ideology adapt to the changing times **Sir**

Gawain and The Green Knight Helen Cooper,2008-09-11 The finest translation in and for our time Kevin Crossley Holland Sir Gawain and The Green Knight with its intricate plot of enchantment and betrayal is probably the most skilfully told story in the whole of the English Arthurian cycle Originating from the north west midlands of England it is based on two separate and very ancient Celtic motifs of the Beheading and the Exchange of Winnings brought together by the anonymous 14th century poet His telling comprehends a great variety of moods and modes from the stark realism of the hunt scenes to the delicious and dangerous bedroom encounters between Lady Bercilak and Gawain from moments of pure lyric beauty when he evokes the English countryside in all its seasons to authorial asides that are full of irony and puckish humour This new verse translation uses a modern alliterative pattern which subtly echoes the music of the original at the same time as it strives for fidelity ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **CliffsNotes on Sir Gawain and the Green Knight** John

Gardner,1999-03-03 This Middle English poem about the moral testing of a young hero is commonly described as the greatest Arthurian romance in our literary tradition It is a question still as to who the author is but this poet is considered second only to Chaucer *Magic and the Supernatural in Medieval English Romance* Corinne J. Saunders,2010 This study looks at a wide range of medieval English romance texts including the works of Chaucer and Malory from a broad cultural perspective to show that while they employ magic in order to create exotic escapist worlds they are also grounded in a sense of possibility and reflect a complex web of inherited and current ideas Book Jacket **Sir Gawain and the Green Knight**

This multidisciplinary volume illustrates how representations of magic in fourteenth century romances link the supernatural spectacle and morality in distinctive ways Supernatural marvels represented in vivid visual detail are foundational to the characteristic Middle English genres of romance and hagiography In Middle English Marvels Tara Williams explores the didactic and affective potential of secular representations of magic and shows how fourteenth century English writers tested the limits of that potential Drawing on works by Augustine Gervase of Tilbury Chaucer and the anonymous poets of Sir Orfeo and Sir Gawain and the Green Knight among others Williams examines how such marvels might convey moral messages within and beyond the narrative She analyzes examples from both highly canonical and more esoteric texts and examines marvels that involve magic and transformation invoke visual spectacle and invite moral reflection on how one should relate to others Within this shared framework Williams finds distinct concerns chivalry identity agency and language that intersect with the marvelous in significant ways Integrating literary and historical approaches to the study of magic this volume convincingly shows how certain fourteenth century texts eschewed the

predominant trends and developed a new theory of the marvelous Williams's engaging erudite study will be of special interest to scholars of the occult the medieval and early modern eras and literature

[A Companion to Medieval English Literature and Culture, c.1350 - c.1500](#) Peter Brown, 2009-10-26 *A Companion to Medieval English Literature and Culture c. 1350 c. 1500* challenges readers to think beyond a narrowly defined canon and conventional disciplinary boundaries A ground-breaking collection of newly

commissioned essays on medieval literature and culture Encourages students to think beyond a narrowly defined canon and conventional disciplinary boundaries Reflects the erosion of the traditional rigid boundary between medieval and early modern literature Stresses the importance of constructing contexts for reading literature Explores the extent to which medieval literature is in dialogue with other cultural products including the literature of other countries manuscripts and religion Includes close readings of frequently studied texts including texts by Chaucer Langland the Gawain poet and Hoccleve Confronts some of the controversies that exercise students of medieval literature such as those connected with literary theory love and chivalry and war *An Introduction to The Gawain-Poet* Ad Putter, 2014-09-19 The late 14th century produced a crop of brilliant writers Chaucer Langland and Gower Their achievement was rivalled only by a series of four works generally agreed to have been written by a single northern author known as the Gawain Poet This book introduces the reader to the Gawain poet's four surviving works Sir Gawain and the Green Knight Patience Pearl and Cleanness The four poems are made accessible to the student by setting them in their relevant historical and cultural context and by developing some lines of critical argument All studies are based on the author's own research and translations *The French Fetish from Chaucer to Shakespeare* Deanne Williams, 2004-11-18 What was the impact of the Norman Conquest on the culture of medieval and early modern England Deanne Williams answers this question by contending that not only French language and literature but the idea of Frenchness itself produced England's literary and cultural identity Examining a variety of English representations of and responses to France and the French in the work of Chaucer Caxton Skelton Shakespeare and others this book shows how English literature emerged out of a simultaneous engagement with and resistance to the pervasive presence of French language and culture in England that was the legacy of the Norman Conquest Drawing upon theories of gender and postcoloniality this book revises traditional notions of English literary history by inserting France as a primary element in English self-fashioning from Chaucer's Prioress to Shakespeare's Henry V
