Sixth Seal:

The Opening of the Sixth Seal Lewis King, 1891 *The Sixth Seal* M. Catherine Hunte, 2002-07 *Under The Halo* Rod Bergen, 2025-02-12 Under The Halo is an examination of whether William Branham a twentieth century faith healer and evangelist was a prophet of God as believed by an estimated 1 to 1.5 million followers who call his teachings the Message Written by a former Message member who shares his journey into and out of this cult it is a well researched review of the prophecies visions stories and doctrines of William Branham things that can't be questioned by those in the Message Though most people today have never heard of William Branham he had a significant influence on Pentecostalism and the Christian Charismatic movement After his passing zealous followers carried his sermons around the world Today the bulk of his followers are found in small pockets globally Under The Halo will be illuminating for both former and present members of the Message and those interested in the history of the healing revival of the 1940s and 1950s or how fringe religious groups form and thrive Under The Halo is more than an examination of the critical errors in William Branham's prophecies credibility and teaching it also provides practical advice to anyone seeking to help members leave the Message *Revelations of the End* Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days *Exposing the Fallacies of the Pre-Tribulation Rapture* Billy Broadwater, 2014-06-20 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwaters in depth Bible based research for over twenty years brings home the truth about the rapture *The Gates of Hell* Alfred Eugene Pearl, 2008-10

The Bible is an incredible gift from God No false religion can fake prophecy The unique thing about prophecy is that it s often difficult to understand until it has come to pass Then it s clear This little book is about the fulfillment of Satan s boast in Isaiah 14 He is just now putting the finishing touches on his stronghold as he attempts to be like the most High You ve seen evil rising around us as we near the end of this age but is your view as through a glass darkly or is it face to face This book is not entertainment I won t be weaving an end times fairy tale If you are not ready to understand the true empire of evil the prophets foretold or to be provisioned and equipped to join the assault on the very gates of Satan s fortress may your chains rest lightly upon you *Revelation* Torbjorn I. Joreteg,2001 This series is an excellent companion text for Bible study leaders and for individual use **Creationism and the Book of Revelation** Douglas K. Johanson,2018-06-08 This book Creationism and the Book of Revelation An Outline of the Last Days by Douglas Johanson deserves serious consideration from anyone who is a seeker of truth both scientific and religious He has created a book that will challenge and provoke serious thinking about the doctrines of the Gospel of Jesus Christ and the expanding knowledge from the scientific community In this fascinating text those two sources are successfully brought together and the result is a faith inspiring exploration of the magnificent power of our Eternal Father This book is a pleasure to read and it is my privilege to recommend it highly Daniel W McAllister PhD Associate Professor Lee Business School University of Nevada at Las Vegas In Creationism and the Book of Revelation An Outline of the Last Days Douglas K Johanson skillfully uses his background in science and his intense study of the scriptures to show how truths about the physical universe and latter day revelation and other scriptures help one see truths in The Revelation of St John the Divine In significant and expansive detail Johanson provides many answers to important questions about the great plan of God Richard Dilworth Rust Professor Emeritus of English The University of North Carolina at Chapel Hill contains a detailed chronological outline of the last days helps science and religion come together The scriptures would be fulfilled exactly as given God loves each and every one of His children **Horae Apocalypticae Vol. 1** E. B. Elliot,2018-01-14 Horae Apocalypticae is an eschatological study written by Edward Bishop Elliott The book is as its long title sets out A commentary on the apocalypse critical and historical including also an examination of the chief prophecies of Daniel illustrated by an apocalyptic chart and engravings from medals and other extant monuments of antiquity with appendices containing besides other matter a sketch of the history of apocalyptic interpretation the chief apocalyptic counter schemes and indices Horae Apocalypticae Hours with the Apocalypse is doubtless the most elaborate work ever produced on the Apocalypse Without an equal in exhaustive research in its field it was occasioned by the futurist attack on the Historical School of interpretation Begun in 1837 its 2 500 pages are buttressed by some 10 000 invaluable references to ancient and modern works **Revisiting the Bible** Anonymous Christian,2024-02-14 Revisiting the Bible is a free book about the Book of Revelation artificial super intelligence fulfilled prophecy bad apologetics and various insights This book is rather long with some two hundred chapters and because of this fact it cannot be easily summarized That said the foremost

purpose of this book is a detailed commentary on the Book of Revelation to explain the nature of the beast or the antichrist and the mysteries of God Although given the length of the commentary there is more theology than talk about the beast or artificial super intelligence The book is also available as a completely free download on my website
