

A SKETCH OF THE LIFE AND CHARACTER OF DANIEL BOONE

A MEMOIR BY PETER HOUSTON

Daniel Boone

EDITED BY TED FRANKLIN BELLIE

Sketch Of The Life And Character Of Daniel Boone

Emilie Sanchez

Sketch Of The Life And Character Of Daniel Boone:

A Sketch of the Life and Character of Daniel Boone Peter Houston,1997 Originally written in 1842 as a letter in response to a request from the author s grandson this work recounts the life and experiences of Daniel Boone **Daniel Boone and Others on the Kentucky Frontier** Darren R. Reid,2009-08-11 This is a collection of first hand accounts that illuminate life on America s trans Appalachian frontier The voices range from the legendary Daniel Boone here in its entirety is Boone s autobiography to a wide array of ordinary settlers and many of the stories are published here for the first time Also included are historical and analytical essays that give context to each story and numerous maps and illustrations

The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **The Human Tradition in the American Revolution** Nancy L. Rhoden,Ian K. Steele,2000-01-01 This collection of 17 biographies provides a unique opportunity for the reader to go beyond the popular heroes of the American Revolution and discover the diverse populace that inhabited the colonies during this pivotal point in history **The 17th and 18th Centuries** Frank N. Magill,2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography *A Familiar Wilderness* Simon J. Dahlman,2024-01-12 In 1775 renowned pioneer Daniel Boone was commissioned to blaze a road through the Appalachian and Cumberland Plateau regions as a fledgling American nation steadily pushed westward What would come to be known as the Wilderness Road was the first major route into the West and it allowed settlers to migrate northwest into Kentucky and later settle parts of Ohio Indiana and Illinois In 2012 Jim Dahlman stopped to stretch his legs on a brief hike into the Cumberland Gap and stumbled upon an adventure After months of preparation Dahlman grabbed a pack and set out to hike as accurately as possible Daniel Boone s original trace In *A Familiar Wilderness* Dahlman illustrates that the Wilderness Road is more than an old track through Appalachia Many of the towns

grew up along Boone's original footpath and people in these areas can draw direct connections to Boone himself or to other early settlers who traversed this trans Appalachian route. Dahlman uses these and other encounters to uncover the history of the Wilderness Road and show how we are all a product of our past. The hospitality of strangers becomes especially instrumental in making Dahlman's hike come alive. Robert, one such stranger, offers to personally guide Dahlman over Powell Mountain. As they make their ascent, Robert provides a splendid view of the mountain, blending careful observation of their surroundings with deep knowledge of the place. A finale to Dahlman's almost 300-mile hike occurs on Hackberry Ridge overlooking Fort Boonesborough State Park, a fitting tribute to Boone's own arrival on the ridge famously overlooking a herd of buffalo. A Familiar Wilderness takes readers on a winding path where geography, history, and local memory intersect with daily life, and Dahlman's lively writing, sensitive to every detail, will bring readers into thrilling touch with a past that still shapes and challenges the present.

Frontiersman Meredith Mason Brown, 2008-09-15 Supported with copious maps, illustrations, endnotes, and a detailed chronology of Boone's life, *Frontiersman* provides a fresh and accurate rendering of a man most people know only as a folk hero and of the nation that has mythologized him for over two centuries. **Historical Sketches of North Carolina** John Hill Wheeler, 1851 [Daniel Boone: The Pioneer of Kentucky](#) John S. C.

Abbott, 2022-06-13 In *Daniel Boone: The Pioneer of Kentucky*, John S. C. Abbott vividly chronicles the life and adventures of one of America's most iconic frontiersmen. Abbott employs a narrative style that seamlessly blends historical fact with engaging storytelling, bringing to life the trials and triumphs of Boone as he navigates the uncharted wilderness of Kentucky. The work is positioned within the context of 19th-century American literature, a period characterized by romanticized depictions of exploration and the spirit of Manifest Destiny, showcasing Boone as a symbol of American resilience and pioneering spirit. John S. C. Abbott was an eminent historian and biographer whose fascination with American history and its key figures significantly influenced his writings. His background as a teacher and author, along with his commitment to presenting history in an accessible manner, allowed him to craft a compelling portrait of Boone that resonates with both historical accuracy and narrative excitement. Abbott's deep admiration for Boone's pioneering exploits reflects a broader cultural appreciation for the adventurous spirit that defined America's westward expansion. This book is highly recommended for readers interested in American history, particularly the frontier era. Abbott's engaging prose and detailed research not only illuminate Boone's significant role in shaping Kentucky but also provide valuable insights into the broader themes of exploration, settlement, and American identity. Enriched by vivid descriptions and an authentic portrayal of its hero, this biography serves as both an educational resource and an entertaining account of America's pioneering past.

Richard McNemar Christian Goodwillie, 2023-03-07 The first biography of a key and complex American religious figure of the nineteenth century, considered by many to be the father of Shaker literature, Richard McNemar (1770-1839) led a remarkable life replete with twists and turns that influenced American religions in many ways during the early nineteenth century. Beginning as a

Presbyterian minister in the Midwest he took his preaching and the practice of his congregation in a radically different evangelical free will direction during the Kentucky Revival A cornerstone of his New Light church in Ohio was spontaneous physical movement and exhortations After Shaker missionaries arrived McNemar converted and soon played a prominent role in expanding and raising public awareness of their religion by founding Shaker communities in the Midwest becoming the first Shaker published author and the most prolific composer of Shaker hymns Split between two opposing religious traditions an evangelical movement attracting tens of thousands and Shakerism which drew only hundreds to its villages Richard McNemar s life poses a challenge for any biographer Christian Goodwillie s mastery of the archival records surrounding McNemar and the Shakers allows him to tell McNemar s story in a way that fully captures the complexity of the man and the scope of his enduring legacy in American religious history

Daniel Boone and the Hunters of Kentucky William Henry Bogart,1854 *The Register of the Kentucky Historical Society* Kentucky Historical Society,2004 The History of Jackson County, Missouri ,1881 *Bibliotheca Americana Catalogue of a valuable collection of books and pamphlets relating to America* Clarke Robert and co,1878 *Bibliotheca Americana*, 1878 Clarke, firm, booksellers, Cincinnati,1878 *Sketches of Travels Among the Northern and Southern Indians* Thomas Loraine McKenney,1854 *Bibliotheca americana*, 1878 Robert Clarke & Co,1878 **Alphabetic Catalogue of the English Books in the Circulating Department of the Cleveland Public Library** Cleveland Public Library,1889 **Bibliotheca Americana.
