Slow Work Through Sand Poems:

Slow Work Through Sand Leslie Ullman, 1998 For a number of years Leslie Ullman has lived in the Southwest on cultivated land in the company of horses and with access to uncultivated desert The seasons and conditions of this starkly appealing land have found their way into the poet and her work Ullman creates origins for herself in nature in solitude in animals and of course through those aspects of human relationships which teach important lessons Since winning the prestigious Yale Younger Poets Award in 1979 Ullman has manifested her love of language as both writer and teacher As she remembers from her youthful summers in a Wisconsin lake lodge Sometimes the words I read were the tap of rain on the roof or the fire snapping in its great stone bed but mostly they bloomed as the sound of the lake a mantra against the weathered dock She writes that her book may be trying to validate the history of women the title of one of the poems just as men s history has always validated hugely and by implication the way we use language and the way history has been taught Hers is not a defensive or an angry intention however but an exciting one *Slow Work through Sand* attempts simply to make visible the dance a woman s life is not apart from other dances but as a valid dance among dances

Holding Patterns Daniel McGuinness, 2001-03-22 *Holding Patterns* provides a sympathetic criticism of poems one that avoids the appliance of criticism and that self consciously persists in close readings of texts as the directing force of its argument Presently contemporary literary criticism and contemporary poetry in America seem at cross purposes Indeed current literary critics seldom address the poems of their contemporaries While structuralists and other schools of critics seek terms generalizations and whole systems to account for and to understand poems poets themselves repeatedly assert that each poem has its own poetic and that no system applies to their writing This book reads poems by contemporary poets such as Jorie Graham Charles Wright Denis Johnson and Amy Clampitt not to illuminate a theory but to shed light on the poem

Texas in Poetry 2 Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness Lasca with memorable lines like Scratches don t count In Texas down by the Rio Grande

Twenty Poems to Nourish Your Soul , 2005-11 The great poets help us look carefully and deeply at the world When we do this we find that God is there This is the powerful spiritual truth that drives *Twenty Poems to Nourish Your Soul* an extraordinary celebration of the poet s craft that opens the attentive reader s heart to the world of the spirit Author compilers Judith Valente and Charles Reynard noted poets themselves select poems that probe the classic themes of the spiritual life With sensitive commentary they show how great poetry can help us recognize and respond to God

The Extraordinary Tide Susan Aizenberg, Erin Belieu, Jeremy Countryman, 2001 Featuring four hundred poems by more than one hundred female authors this celebration of American women poets includes major work from the last third of the 20th century

The Wound and the Dream Cary Nelson, 2002 When the United States and other powers declined to help fight fascist power at the onset of the Spanish Civil War forty thousand private citizens from fifty two countries rallied to join the International Brigade s defense of the Spanish Republic Born out of the struggle between fascism

and democracy and considered the first battle of World War II the Spanish Civil War holds tremendous ideological significance and has inspired a remarkable range of American poetry The Wound and the Dream represents the sixty year tradition of American poetic responses to the Spanish Civil War and provides an overview of progressive American poetry as a whole Four of the featured poets Alvah Bessie William Lindsay Gresham James Neugass and Edwin Rolfe were members of the International Brigade Their poetry appears alongside lesser known works by some of the greatest American poets of the twentieth century including Wallace Stevens Edna St Vincent Millay Randall Jarrell Langston Hughes and Philip Levine Cary Nelson s introduction discusses the collective nature of the poems puts them in their international context and provides a sturdy framework for interpreting the Spanish Civil War as a historical conjecture that has dramatically altered the ways we read and write poetry The book also includes a brief biography of each poet and a glossary of related terms

Another Creature Pamela Gemin, 2010-03-01 Pamela Gemin teaches at the University of Wisconsin Oshkosh and is author of the poetry collection Vendettas Charms and Prayers She is also the editor of three poetry anthologies including Sweeping Beauty Women Poets Do Housework Her poems and anthologies have been featured on NPR s Morning Edition All Things Considered and Writer s Almanac

Say This of Horses Charles E. Greer, C.E. Greer, Jenny Kander, 2007-04 Containing more than a hundred poems by seventy four poets of twenty two nationalities Say This of Horses represents the abundance of poems about horses that have been written throughout the ages and around the world Whether probing the ages old connection between horses and humans the immediate physical presence of horses or the metaphysical elements of these magnificent animals this collection celebrates the horse as what Maxine Kumin calls our enduring myth the repository for our love and terror Divided into six sections Say This of Horses considers horses in a multitude of times and places Antiquity explores the forging of the earliest mythical ties between horses and humans Here Now places horses in the present where their physical presence is most acutely felt Essence explores the metaphysical qualities of horses Harnessed contains a selection of poems about horses in war at work and in sport and recreation Mirrors shows them as imaginative symbols Finally Lenses moves into the realm of abstraction and fantasy The selections within this far reaching collection are joyous moving erudite and at times profoundly sad Poems by Henry Wadsworth Longfellow W S Merwin Tess Gallagher Yusef Komunyakaa Pablo Neruda Anne Sexton Wallace Stevens May Sarton Jane Kenyon and James Dickey among many others are sure to delight and surprise readers familiar with or just exploring the rich literature on horses Contributors include Guillaume Apollinaire Gwendolyn Brooks Lawrence Ferlinghetti C E Greer Donald Hall Joy Harjo Imru al Qays Ted Kooser Philip Larkin Ann McCarthy de Zavala Rainer Maria Rilke Patiann Rogers William Carlos Williams
