## **Sly Old Wardrobe:**

*Sly Old Wardrobe* Ivan Southall, 1974 No one wanted the dark old wardrobe except Tom but when he got it home his parents weren't pleased and it looked as if it would have to go back to the opportunity shop until Grandma arrived at a solution

**Sly Old Wardrobe** Ivan Southall, 1974      **Sly Old Wardrobe** Ivan Southall, 1969      *Hills End* Ivan Southall, 2013-05-22 First published in 1962 *Hills End* is regarded as a turning point in Australian children's literature paving the way for much subsequent Australian adventure fiction On a fateful day in Hills End a timber milling town in the mountains of Victoria seven children and their teacher set off to explore caves in the nearby mountains said to contain ancient Aboriginal rock art While they are deep inside the mountain caves a storm of tremendous violence all but sweeps the town away and threatens to leave them stranded on the mountain Tackling flooded creeks and washed out paths and fallen trees the children make their way back to Hills End injured and exhausted only to face a new battle to survive in the denuded town Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Books Council Book of the Year on three occasions He wrote over 60 books in his lifetime and has been published in 23 different countries He died in 2008 [textclassics.com.au](http://textclassics.com.au) The author has the power to get inside his characters and through them express his faith in human nature in the goodness of man a solid work strong in action mood and discipline New York Times A book that has haunted me for years Ramona Koval By the Book I would highly recommend this novel for both children and adults as the vivid imagery which Southall creates is something which is not as prominent in today's literature I believe that it is important for young people to read books like this as they encourage a love for the written word something which is often neglected these days ReadPlus review blog

*Turdhead* Dale W Forsythe, 2012-02-24 *Turdhead* The Fourth Notch is most definitely a spy novel Dr Bill William's challenging childhood is a link connecting Bill to a twisted journey that eventually joins the clandestine path of espionage Bill learned very early to duck and cover in avoiding the swinging arms of his angry father but Bill remains resistant to describe himself as an abused child Bill maintains that his dad was a good provider didn't drink excessively and was very much the same as his buddies dad's oil field roughnecks and rodeos Both of Bill's parents died one month apart when Bill was ten years old Cancer swiftly took both and Bill's dad sucked on his Old Gold cigarettes to his last wet rasping breath At ten years old as Bill became a planner and observer He knew his life was over in the small town of Duncan Oklahoma but his ten year old logic had a plan hide out as long as he could and when discovered hitch hike to California and live with Roy Rogers and Dale Evans This was a beginning and Bill observed and planned his path through his teenage years military and college Bill threw his plan book out the window when surviving the courtship of his soon to be wife Alex Very soon unplanned teaching opportunities for couples in Saudi Arabia were considered and accepted This inadvertently led to some dabbling in covert assignments and eventually a major mishap resulting in Bill's arrest in Saudi Arabia as an Israeli spy Seven months later Bill activated his plan to escape Saudi Arabia in an Arab dhow After three

weeks of sailing on the Red Sea Bill approached the Sinai peninsula was rescued by the Israeli coast guard and eventually delivered to the Mossad Director Thus began a series of events resulting in Bill being thrust into CIA field agent training and his first assignment back to Israel as a liaison officer at the American embassy in Tel Aviv Bill's adventures continued in assignment to Beirut and eventually Afghanistan

**Ash Road** Ivan Southall, 2013-09-25 The best selling Ash Road is an action packed adventure story so evocative of rural Australia you can taste the Eucalyptus It's hot dry and sweaty on Ash Road where Graham Harry and Wallace are getting their first taste of independence camping just the three of them When they accidentally light a bushfire no one would have guessed how far it would go All along Ash Road fathers go off to fight the fires and mothers help in the first aid centres The children of Prescott are left alone presumed safe until it's the fire itself that reaches them These children are forced to face a major crisis with only each other and the two old men left in their care Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Book Council Book of the Year on three occasions An icon of Australian children's literature he wrote over sixty books in his lifetime and has been published in twenty three different countries He died in 2008

**To the Wild Sky** Ivan Southall, 2014-04-23 Winner Australian Children's Book of the Year 1967 No one had talked about fuel what was the use of talking anyway But they all knew that engines which run on fuel have to run out of fuel sometime and that the Egret just couldn't keep on going for ever They seemed to have been sitting in this plane imprisoned for days waiting to die Gerald just flew on and on as though he wanted to fly away to another world almost as though he didn't want to go down almost as though he didn't know how to go down When the Egret's pilot dies suddenly mid flight six teenagers the only passengers on board face a terrifying situation Gerald has had some flying lessons but he has never flown alone and he has never landed a plane Lost and afraid they fly on as the fuel gauge drops and night closes in Will they find a clear landing place Could they land in the sea If they do somehow land safely how will they find their way back to civilisation Ivan Southall's To the Wild Sky is a breathtaking adventure real kids facing a very real danger with no one but themselves to rely on Ivan Southall was the first Australian author to receive the Carnegie Medal and was awarded the Australian Children's Book Council Book of the Year on three occasions An icon of Australian children's literature he wrote over sixty books in his lifetime and has been published in twenty three different countries He died in 2008 The book that shines brightest is Ivan Southall's To the Wild Sky This was a proudly Australian story and the first novel to utterly confound me by denying the usual happy ever after That was the moment I first understood the magic an author has in their hands Tim Pegler author of Five Parts Dead

First published in 1998, this book is the first comprehensive survey of the awards made to children's books in the English-speaking world. The Volume covers nearly forty different prizes, including well-known and established ones such as the Newbery Award, prizes instigated by the commercial sector such as the Smarties Prize, as well as nationally sponsored awards and prizes for illustrators. Detailed lists are provided of the winning titles and where appropriate the runners-up in each year that the award has been given. Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are viewed by authors, illustrators, publishers, librarians, booksellers and potential purchasers. The various criteria applied by judges of these awards are also examined, with an assessment of whether they have always achieved the right result. This Volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children's book industry.
