Smart Planning For Life And Death:

Life by Death BARD,2022-03-16 *Life by Death* By BARD Ryan Butler is a young man in his mid thirties progressing through a developing career working for an American Steel Corporation He and several other managers are assigned to work on a due diligence project to determine if the corporation should take an interest in participating in the privatization of the Serbian Steel Industry Unfortunately their assignment begins in the late 1990 and the tensions in Yugoslavia are rising eventually leading to civil wars following the declared independence of Slovenia Croatia and Bosnia from Yugoslavia As their assignment progresses through the second quarter of 1991 they hear more frequently of the upcoming risk and are convinced the corporation will be extracting them from the Serbian assignment Ryan was the one American who took a sincere interest in the Serbian people culture and religion He developed many friendships and close relationships with many of the Serbians he met both at work and in Belgrade where he lived He wanted to see some more of the Serbian history and took time off in the middle of a week in June to take some of his friends on what was to be a trip to see some famous locations in Serbia While on this trip he and two of his friends witness something they were not supposed to see This accident puts their lives in grave danger Ryan s friends eventually figure out a way to get him back safely to the United States He is still in danger and ends up with a new identity and had become an international consultant in the Steel Industry He finds himself hired by the Minister of Steel in Moscow to help improve the productivity of the Steel Industry in Russia and the X USSR Satellite countries After another terrible incident he flees his second assignment and escapes traveling through Romania and ultimately finds himself back with his friends in Serbia at the height of the Yugoslav wars This leads to the demise of many people The story is fiction entwined with actual historical events people and places It also includes many of the real experiences of the writer while on assignment working at a steel mill in Serbia from 2006 to 2008

Between Life and Death: Dead Woman's Journal Ann Christy,2019-07-09 If there s one good thing about the end of the world it s that Jillian wasn t alone when it happened Her neighborhood is still populated and more importantly no one is trying to eat anyone else The rest of the world isn t so lucky Where the Awakened roam terror follows A medical miracle turned bad is the cause of it all What s worse almost everyone has some form of the medicine in their system Medical nanites changed the landscape in wonderful ways but when those medical miracles went haywire it was the end of the world Within the safety of their small waterfront neighborhood Jillian and her neighbors must forge a new path one that will keep them safe keep them alive Within each of them lies the seeds of destruction but also the will to survive *Dead Woman s Journal* is a prequel to the thrilling *Between Life and Death* series This full length novel stands alone and is without cliffhangers While there are some descriptions of violence the novel is appropriate for ages 16 and up

The Life and Death of Tesla Motors in Taiwan Eugene Chang,2018-01-15 Tesla returns back to Taiwan in 2016 brings Model S shipping in 2017 remarks a milestone for the island We made an order in 2016 and have my Model S shipped in Spring 2017 We drain the oil out from deep earth expense

60% for transportation and 80% of the gas used for transportation are wasted as heat Watch the heavy traffic and imagine it as burning fuel in open air as 50% of the petroleum we dig are burned in waste Electric vehicle EV with the efficiency up to 80 % is by no means just the future but also the must we are dealing with transportation tomorrow Tesla with the unique auto pilot equipped vehicles points another issue as we forgot how to use abacus since we have computers but we still drive by ourselves manually everyday I would like to demonstrate in this book with my exploration and observation to Tesla Motors For facilitating the use of EV and representing the applicability of the sophisticated technology auto pilot in the 70% area rooted mountains height up to 4000 meters in Taiwan
