Soviet Strategic Initiatives Carl G. Jacobsen, 1979 Ibss Poli Sci 29 1980 "International Committee For Social Sciences Documentation", 2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980 The Soviet Union 1917-1991 Martin McCauley, 2014-02-04 A second edition of this famous survey has been eagerly awaited When the first edition appeared Brezhnev was still in power Gorbachev did not make it to the index and the USSR was a superpower Today the Soviet experiment is over and the USSR no longer exists How Why Martin McCauley has reworked and greatly expanded his book to answer these questions and to provide a complete account of the Soviet years Essential reading to an appreciation of recent history and to a better understanding of whatever happens next **Soviet Posture in the Western Hemisphere** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Western Hemisphere Affairs, 1985 Strategic Power Carl G. Jacobsen, 1990-02-23 This book highlights the impact and relevance of strategic culture Each section contains essays contrasting United States and Soviet perceptions on specific topics Each section closes with a synthesizing commentary to help readers to get a better sense of differences and similarities *Bulletin of the Atomic Scientists* , 1980-03 **Transformation in Russian and Soviet military history , Economics And Politics In The USSR** Hans-Hermann Hohmann, 2019-03-05 Soviet scholars have apparently stayed clear of meaningful analysis of such touchy subjects as interdependence and conflict in the relationship between economics and politics Very little has been published on this issue no surprise in a system that controls centrally both politics and the economy with an emphasis on rapid economic development The absence of meaningful Soviet research led the Federal Institute for East European and International Studies in Cologne to sponsor an international interdisciplinary conference on the subject Contributions to the resulting book cover three main areas The first includes the impact of traditional Russian political culture on contemporary Soviet economic thinking and behavior the rank of economic aims in the priority system of Soviet politics and the function of economic institutions in the implementation of political aims The second concerns the role of political lobbies in the economy and repercussions of economic change for Soviet politics Foreign economic relations and the USSR's foreign policy make up the third area The concluding discussion reviews the state of international research and identifies areas for future study *Nuclear Disengagement in Europe* Stockholm International Peace Research Institute, 2020-11-19 In the early 1980s there had been an upsurge of public concern over the nuclear threat to Europe Already saturated with nuclear weapons Europe faced controversial new deployments and there was alarm over military strategies for nuclear war in the region It is in this context that the idea of nuclear weapon free zones had captured the popular imagination and became a political issue in Europe Not only would such zones build

confidence and raise the nuclear threshold but they would be first steps towards a more comprehensive elimination of nuclear weapons Originally published in 1983 Nuclear Disengagement in Europe probes the question of nuclear weapon free zones in the region Pugwash and SIPRI arranged a meeting at which an international team of lawyers scientists politicians and military experts gave background information and provided an appraisal of problems regarding the zone initiatives as well as benefits that would accrue Possible elements in a European zone arrangement were elaborated on and procedures towards the establishment of such a zone were suggested
