Soviet Union And The Plo:

The Soviet Union and the PLO Roland Dannreuther, 2016-07-27 The Soviet Union and the PLO provides a comprehensive account of Soviet PLO relations from the formation of the PLO in 1964 to the disintegration of the Soviet Union in 1991. By analysing in detail the complex and often turbulent evolution of the Soviet PLO relationship the book also provides critical insights into Soviet policy making towards the Arab Israeli conflict and the various strategies Moscow adopted to attain its strategic and ideological interests in the region.

The Soviet Union and the Palestine Liberation Organization Galia Golan, 1980

The Soviet Union and National Liberation Movements in the Third World Galia Golan, 2022-12-28 The Soviet Union and National Liberation Movements in the Third World 1988 is a systematic comparison of Soviet theory about and actual behaviour toward movements for national liberation in the Third World. In this definitive study Professor Golan demonstrates that Soviet behaviour toward such movements is consistent with Soviet theory as stated in the writings and speeches of high level influential within the Party military and academic communities. In so doing she advances our understanding of the rules of thumb that Soviet leaders appeared to follow in deciding whether and how to assist the varied types of anti imperialist and separatist movements in the developing world. The first part of the book provides a detailed analysis of the various schools of thought among Soviet writers concerning different aspects of national liberation movements and the second part analyses actual Soviet behaviour toward numerous movements around the world.

The Soviet Union and Terrorism Roberta Goren, 2024-04-12 The Soviet Union and Terrorism 1984 examines the extent of Soviet involvement in international terrorism and the aims and objectives of Soviet foreign policy. It looks at the evidence of changing Soviet attitudes to terrorism from 1917 to the 1980s evidenced in official and semi official pronouncements and it brings together evidence from the field of terrorist operations which points to a high degree of Soviet involvement. The Soviet Union is shown to be playing a dangerous game sponsoring activities which it cannot hope to control and leading to effects which it cannot predict. Nevertheless it continues to play because it gains from the political and military disruption to the countries affected by terrorist activities.

The Decline Of The Soviet Union And The Transformation Of The Middle East David Howard Goldberg, Paul Marantz, Stephen Page, Stephen Gotowicki, 2019-06-26 For more than three decades the Soviet Union was a major force in the Middle East and superpower rivalry exacerbated many of the conflicts endemic to the region. The end of the Cold War and the collapse of the Soviet Union have fundamentally altered the rules of the game in Middle East politics producing a new fluidity in the region new diplomatic alignments and new opportunities for peace. The contributors place recent developments in historical and political context analyzing changes in Soviet Middle East policy under Gorbachev as well as evaluating developments since the demise of the Soviet Union. The evolution of Moscow's policy toward the Arab states Israel the P L O and the U N is given special attention. The contributors also examine the emergence of Islamic fundamentalism in the new

states of Central Asia and weigh the potential implications of this development for the Middle East In addition they discuss security issues related to the transfer of military technology from former Soviet republics to the countries of the Middle East

Galia Golan: An Academic Pioneer on the Soviet Union, Peace and Conflict Studies, and a Peace and Feminist Activist Galia Golan, 2018-10-26 This is an autobiography of an unusual and versatile woman focusing on her academic development and achievements as well as her international activism In addition to a discussion of the origins and path of the author's academic work and activism for peace and for women's rights that deals with the author's work in US intelligence and immigration to Israel in the 1960s the volume includes ground breaking articles from the different often controversial areas of her academic specializations Czechoslovak communism Soviet foreign policy peace studies the Arab Israeli conflict women's rights The volume also includes photos of the author at work and in action The book offers an inside look at a lifetime of courageous activities and ground breaking intellectual pursuits of a woman who was a leader in her academic field and in the struggle for peace and for women's rights The included texts themselves shed light on important topics both past and present including the Israeli Arab Conflict and also the issue of women and peace *The Soviet Union in the Third World* Robert H. Donaldson, 2022-12-28 *The Soviet Union in the Third World* 1981 analyses Soviet objectives in the developing world the instruments of foreign policy employed and their success and failure the implications of Soviet foreign policy for the international system in general and the US foreign and defence policies in particular Twenty leading specialists examine Soviet involvement in Latin America Africa the Middle East and Asia and discuss the subject from both security and economic perspectives *The Soviet Union*, 1986 **The Soviet Union and Arab Nationalism, 1917-1966** Hashim S.H. Behbehani, 2023-05-31 China's foreign policy in the Arab world is important because it reflects China's general foreign policy In this study first published in 1981 the author draws upon a wealth of previously unpublished and inaccessible material to analyse Chinese attitudes in three cases the two Arab liberation movements the Palestine Resistance Movement and the Popular Front for the Liberation of the Oman and the established and independent State of Kuwait Since the Arab liberation movements played a significant political role within their fields of operation it was necessary for China to decide whether these movements did actually fit in with Chinese foreign policy objectives Dr Behbehani's analysis of these two case studies provides the basis for a discussion of whether China's motives in supporting the liberation movements are theoretical or purely practical China's support for Kuwait's political internal continuity is related to the stability of the whole Gulf region The author analyses Chinese support for Kuwait and the surrounding conservative states on two main bases political and economic in the form of trade It is through these channels particularly the economic one that China has sought to establish itself in the Gulf and the Arabian peninsula
