Spaniards In Their History:

The Spaniards Americo Castro, 2018-06-22 This ambitious book by Americo Castro is not simply a history of the Spanish people or culture. It is an attempt to create an entirely new understanding of Spanish society. The Spaniards examines how the social position, religious affiliation and beliefs of Christians, Moors and Jews together with their feelings of superiority or inferiority determined the development of Spanish identity and culture. Castro follows how the Spanish began to form a nation beginning in the thirteenth century and became wholly Spanish in the sixteenth century in a different way and under different circumstances than other peoples of Western Europe. The original material of this book, chapters II through XII, was translated by Willard F. King and the newly added material, preface, chapters I, XIII and XIV and appendix, was translated by Selma Margaretten. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1971. **The Spaniards** Américo Castro, 1985 **Spaniards** Americo Castro, 1980 **The Spaniards in Their History** Ramón Menéndez Pidal, Walter Starkie, 1950 Spaniards in the Holocaust David Wingeate Pike, 2003-09-02 This important work focuses on the experience of the large Spanish contingent within the Mauthausen concentration camp, one of the least known but most terrible in Nazi Germany. An outstanding contribution to the literature of the Holocaust. **A Short History of Spain** Lady Maria Callcott, 1828 *Revisiting Jewish Spain in the Modern Era* Daniela Flesler, Tabea Linhard, Adrián Pérez Melgosa, 2015-07-16 This innovative volume offers fresh perspectives and directions on the intersection of Hispanic and Jewish studies. It shows how Jewishness has played a crucial role in Spanish political, social and cultural developments in the modern era, exploring the effects of the multiple material and symbolic absences of Jews and Judaism from modern Spanish society. The book considers the haunting presence that this absence has entailed. Contributors analyze the different and contradictory ways in which Spain as a nation has tried to come to terms with its Jewish memory and with Jews from the nineteenth century to the present. Jos Amador de los Ríos efforts to incorporate Jewishness into the canon of Spanish national literature and history, the emergence in the mid nineteenth century of the figure of the Jewish conspirator who seeks to foment revolutionary unrest in novels from Spain, Italy and France, the development of philosephardism and its interconnections with anti-Semitism, Spanish fascism and colonial ambitions at the turn of the twentieth century, the instrumentalization of the Spanish Jewish past during the Second Republic, the role of philosemitism in the development of Catalan nationalism and the relationship between the memory of Sepharad and Holocaust commemoration in contemporary Spain. This book is based on a special issue of the Journal of Spanish Cultural Studies. **Life and Society in the Early Spanish Caribbean** Ida Altman, 2021-11-17 The half century of European activity in the Caribbean that followed Columbus's first voyages brought enormous demographic, economic and social change to the

region as Europeans Indigenous people and Africans whom Spaniards imported to provide skilled and unskilled labor came into extended contact for the first time In *Life and Society in the Early Spanish Caribbean* Ida Altman examines the interactions of these diverse groups and individuals and the transformation of the islands of the Greater Antilles Hispaniola Puerto Rico Cuba and Jamaica She addresses the impact of disease and ongoing conflict the Spanish monarchy's efforts to establish a functioning political system and an Iberian church evangelization of Indians and Blacks the islands economic development the international character of the Caribbean which attracted Portuguese Italian and German merchants and settlers and the formation of a highly unequal and coercive but dynamic society As Altman demonstrates in the first half of the sixteenth century the Caribbean became the first full fledged iteration of the Atlantic world in all its complexity

Spain. (The Nations' hist.). David Hannay, 1917 **A Cultural History of Spanish America** Mariano

Picón-Salas, 2022-08-19 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962 *The Spanish Empire* H. Micheal Tarver, Emily Slape, 2016-07-25

Through reference entries and primary documents this book surveys a wide range of topics related to the history of the Spanish Empire including past events and individuals as well as the Iberian kingdom's imperial legacy *The Spanish Empire A Historical Encyclopedia* provides students as well as anyone interested in Spain Latin America or empires in general the necessary materials to explore and better understand the centuries long empire of the Iberian kingdom The work is organized around eight themes to allow the reader the ability to explore each theme through an overview essay and several selected encyclopedic entries This two volume set includes some 180 entries that cover such topics as the caste system dynastic rivalries economics major political events and players and wars of independence The entries provide students with essential information about the people things institutions places and events central to the history of the empire Many of the entries also include short sidebars that highlight key facts or present fascinating and relevant trivia Additional resources include an introductory overview chronology extended bibliography and extensive collection of primary source documents

The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture Rodrigo Cacho

Casal, Caroline Egan, 2022-05-01 *The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture* introduces the intellectual and artistic breadth of early modern Spain from a range of disciplinary and critical perspectives Spanning the sixteenth and seventeenth centuries a period traditionally known as the Golden Age the volume examines topics including political and scientific culture literary and artistic innovations and religious and social identities and institutions in transformation The 36 chapters of the volume include both expert overviews of key topics and figures from the period as well as new approaches to understudied questions and materials This invaluable resource will be of interest to

advanced students and scholars in Hispanic studies as well as Renaissance and early modern studies more generally

The Spanish Craze Richard L. Kagan, 2019-03 The Spanish Craze is the compelling story of the centuries long U S fascination with the history literature art culture and architecture of Spain Richard L Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America tracing its origins from the early republic to the New Deal As Spanish power and influence waned in the Atlantic World by the eighteenth century her rivals created the Black Legend which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness The Black Legend and its ambivalences influenced Americans throughout the nineteenth century reaching a high pitch in the Spanish American War of 1898 However the Black Legend retreated soon thereafter and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism Although the Spanish craze infected regions where the Spanish New World presence was most felt California the American Southwest Texas and Florida there were also early quite serious flare ups of the craze in Chicago New York and New England Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich a specialist in the early history of the Americas and the writers Washington Irving and Henry Wadsworth Longfellow He also considers later enthusiasts such as Angelino Charles Lummis and the many writers artists and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries Spain s political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries With elegant prose and verve The Spanish Craze spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments buildings and private homes the visual performing and cinematic arts and the literature travel journals and letters of its enthusiasts in the United States

The Spaniards ,1971 Twenty-First Century Arab and African Diasporas in Spain, Portugal and Latin America Cristián H. Ricci, 2022-12-30 This volume considers the Arabic and African diasporas through the underexplored Afro Hispanic Luso Africans and Mahjari South American and Mexican authors of Arab descent experiences in Spain Portugal and Latin America Utilizing both established and emerging approaches the authors explore the ways in which individual writers and artists negotiate the geographical cultural and historical parameters of their own diasporic trajectories influenced by their particular locations at home and elsewhere At the same time this volume sheds light on issues related to Spain Portugal and Latin American racial ethnic and sexual boundaries the appeal of images of the Middle East and Africa in the contemporary marketplace and the role of Spanish Portuguese and Latin American economic crunches in shaping attitudes towards immigration This collection of thought provoking chapters extends the concepts of diaspora and transnationalism forcing the reader to reassess their present limitations as interpretive tools In the process Afro Hispanic Afro Portuguese and Mahjaris are rendered visible as national actors and transnational citizens

Doña Teresa Confronts the Spanish Inquisition Frances Levine, 2016-06-27 In 1598 at the height of the Spanish Inquisition New Mexico became Spain's northernmost New World colony. The censures of the Catholic Church reached all the way to Santa Fe where in the mid 1660s Doña Teresa Aguilera y Roche the wife of New Mexico governor Bernardo L. Pez de Mendizbal came under the Inquisition's scrutiny. She and her husband were tried in Mexico City for the crime of judaizante the practice of Jewish rituals. Using the handwritten briefs that Doña Teresa prepared for her defense as well as depositions by servants ethnohistorian Frances Levine paints a remarkable portrait of daily life in seventeenth century New Mexico. *Doña Teresa Confronts the Spanish Inquisition* also offers a rare glimpse into the intellectual and emotional life of an educated European woman at a particularly dangerous time in Spanish colonial history. New Mexico's remoteness attracted crypto Jews and conversos Jews who practiced their faith behind a front of Roman Catholicism. But were Doña Teresa and her husband truly conversos? Or were the charges against them simply their enemies' means of silencing political opposition? Doña Teresa had grown up in Italy and had lived in Colombia as the daughter of the governor of Cartagena. She was far better educated than most of the men in New Mexico. But education and prestige were no protection against persecution. The fine furnishings, fabrics and tableware that Doña Teresa installed in the Palace of the Governors in Santa Fe made her an object of suspicion and jealousy and her ability to read and write in several languages made her the target of outlandish claims. *Doña Teresa Confronts the Spanish Inquisition* uncovers issues that resonate today: conflicts between religious and secular authority, the weight of evidence versus hearsay in court. Doña Teresa's voice set in the context of the history of the Inquisition is a powerful addition to the memory of that time. *The Community Heritage in the Spanish Americas* Howard Benoist, 1999 *Western Europe 2023-2024* Wayne C. Thompson, 2023-06-23 The World Today Series. Western Europe is an annually updated presentation of each sovereign country in Western Europe past and present. It is organized by individual chapters for each country expertly covering the region's geography, people, history, political system, constitution, parliament, parties, political leaders and elections. The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its 40th edition, the content is thorough yet perfect for a one semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student budgets. *Spain, 1469-1714* Henry Kamen, 2014-03-26 For nearly two centuries Spain was the world's most influential nation, dominant in Europe and with authority over immense territories in America and the Pacific. Because none of this was achieved by its own economic or military resources, Henry Kamen sets out to explain how it achieved the unexpected status of world power and examines political events and foreign policy through the reigns of each of the nation's rulers from Ferdinand and Isabella at the end of the fifteenth century to Philip V in the 1700s. He explores the distinctive features that made up the Spanish experience from the gold and silver of the New World to the role of the Inquisition and the fate of the

Muslim and Jewish minorities In an entirely re written text he also pays careful attention to recent work on art and culture social development and the role of women as well as considering the obsession of Spaniards with imperial failure and their use of the concept of decline to insist on a mythical past of greatness The essential fragility of Spain s resources he explains was the principal reason why it never succeeded in achieving success as an imperial power This completely updated fourth edition of Henry Kamen s authoritative accessible survey of Spanish politics and civilisation in the Golden Age of its world experience substantially expands the coverage of themes and takes account of the latest published research **Spanish Treaty Claims Commission** United States. Spanish Treaty Claims Commission,1901

This is likewise one of the factors by obtaining the soft documents of this **Spaniards In Their History** by online. You might not require more get older to spend to go to the book establishment as competently as search for them. In some cases, you likewise do not discover the notice Spaniards In Their History that you are looking for. It will totally squander the time.

However below, in the manner of you visit this web page, it will be therefore very simple to acquire as with ease as download guide Spaniards In Their History

It will not bow to many get older as we explain before. You can reach it while pretense something else at home and even in your workplace. thus easy! So, are you question?
