Scilabra**

Spartacus Uprising And Soviet Historical Writing:

Spartacus' Uprising and Soviet Historical Writing Wolfgang Zeev Rubinsohn, 1987 The glorification of Spartacus in the revolutionary mythology and martyrology of the Soviet Union has led to great distortions in historical accuracy This book chronicles the changing attitudes to Spartacus in Soviet historical writing and the fate of some of those who have sought to get back to the ancient sources or have dared to question the official history This eye opening essay in historiography is supported by an extensive bibliography of Russian writing Revised version of the text published in Germany in 1983

Spartacus and the Slave Wars NA NA, 2016-04-30 In 72 B C in the heart of Rome's Mediterranean empire a slave named Spartacus ignited one of the most violent episodes of slave resistance in the history of the Roman Empire indeed in the world annals of slavery This volume organizes original translations of 80 Greek and Latin sources into topical chapters that look at the daily lives of slaves trained as gladiators and those who labored on farms in Italy and Sicily including accounts of revolts that preceded and anticipated that of Spartacus In a carefully crafted introductory essay Shaw places Spartacus in the broader context of first and second century B C Rome Italy and Sicily and explains why his story continues to be a popular symbol of rebellion today The volume also includes a glossary chronology selected bibliography three maps an annotated list of ancient writers and questions for consideration

Marxist History-writing for the Twenty-first Century Chris Wickham, 2007-06-28 Eight prominent historians and social scientists give their perspectives on the fate of Marxist approaches to history and the direction of the discipline in coming decades The volume offers rigorous and approachable analysis from several political and intellectual positions and will be an important contribution to current historical debates

Spartacus Martin M. Winkler, 2008-04-15 This is the first book systematically to analyze Kirk Douglas and Stanley Kubrick's depiction of the slave revolt led by Spartacus from different historical political and cinematic perspectives Examines the film's use of ancient sources the ancient historical contexts the political significance of the film the history of its censorship and restoration and its place in film history Includes the most important passages from ancient authors reports of the slave revolt in translation

Handbook of Ancient Afro-Eurasian Economies Sitta Reden, 2019-12-02 The notion of the Silk Road that the German geographer Ferdinand von Richthofen invented in the 19th century has lost attraction to scholars in light of large amounts of new evidence and new approaches The handbook suggests new conceptual and methodological tools for researching ancient economic exchange in a global perspective with a strong focus on recent debates on the nature of pre modern empires The interdisciplinary team of Chinese Indian and Graeco Roman historians archaeologists and anthropologists that has written this handbook compares different forms of economic development in agrarian and steppe regions in a period of accelerated empire formation during 300 BCE and 300 CE It investigates inter imperial zones and networks of exchange which were crucial for ancient Eurasian connections Volume I provides a comparative history of the most important empires forming in Northern Africa Europe and Asia between 300 BCE

and 300 CE It surveys a wide range of evidence that can be brought to bear on economic development in these empires and takes stock of the ways academic traditions have shaped different understandings of economic and imperial development as well as Silk Road exchange in Russia China India and Western Graeco Roman history

Slave Revolts in Antiquity

Theresa Urbainczyk, 2016-06-16 Although much has been written on Greek and Roman slavery slave resistance has typically been dismissed as historically insignificant and those revolts that are documented are portrayed as wholly exceptional and resulting from peculiar historical circumstances that had little to do with the intrinsic views or organizational capabilities of the slaves themselves In this book Theresa Urbainczyk challenges the current orthodoxy and argues that there were many more slave revolts than is usually assumed and they were far from insignificant historically She carefully dissects ancient and modern interpretations to show that there was every reason for the writers who recorded and re-recorded the slave rebellions and wars to repress or to reconfigure any larger scale slave resistance as something other than what it was Further she shows that we often have the accounts that we do because of the happenstance of certain ancient authors having been particularly interested in creating accounts of them for their own interests Urbainczyk argues that we need to look beyond the canonical sources and episodes to see a bigger history of long term resistance of slaves to their enslavement

Ancient Violence in the Modern Imagination Irene Berti, Maria G. Castello, Carla Scilabra, 2020-10-15 The collected essays in this volume focus on the presentation representation and interpretation of ancient violence from war to slavery rape and murder in the modern visual and performing arts with special attention to videogames and dance as well as the more usual media of film literature and theatre Violence fury and the dread that they provoke are factors that appear frequently in the ancient sources The dark side of antiquity so distant from the ideal of purity and harmony that the classical heritage until recently usually called forth has repeatedly struck the imagination of artists writers and scholars across ages and cultures A global assembly of contributors from Europe to Brazil and from the US to New Zealand consider historical and mythical violence in Stanley Kubrick's *Spartacus* and the 2010 TV series of the same name in Ridley Scott's *Gladiator* in the work of Lars von Trier and in Soviet ballet and the choreography of Martha Graham and Anita Berber Representations of Roman warfare appear in videogames such as *Ryse Son of Rome* and *Total War* as well as recent comics and examples from both these media are analysed in the volume Finally interviews with two artists offer insight into the ways in which practitioners understand and engage with the complex reception of these themes

Legendary Commanders Who

Challenged Ancient Rome Charles River Editors, 2025-05-02 In the history of war only a select few men always make the list of greatest generals Napoleon Caesar Alexander They are always joined by Hannibal who has the distinction of being the only man who nearly brought Rome to its knees before its decline almost 700 years later Rome never suffered a more horrifying defeat in its history than at Cannae and indeed Hannibal nearly rewrote the course of Western history during the Second Punic War Even today there remains great debate on just how he accomplished his masterful invasion of Italy across

the Alps Since his army included war elephants historians still argue over exactly where and how he crossed over 2 000 years after he managed that incredible feat Hannibal will always be listed among history s greatest generals and his military campaign in Italy during the Second Punic War will always be studied but part of the aura and mystique surrounding the Carthaginian legend is that there is still a lot of mystery Since Carthage was destroyed by Rome a generation after Hannibal most of what is known about Hannibal came from the very people he tormented in the late 2nd century B C and thus much of his background and life story is unknown Moreover while military historians are still amazed that he was able to maintain his army in Italy near Rome for nearly 15 years scholars are still puzzled over some of his decisions including why he never attempted to march on Rome in the first place Spartacus is the world s most famous slave and one of the most notorious figures of Ancient Rome A slave enamored of freedom and willing to fight and die for it he became especially popular in the years following the Enlightenment after which he was widely viewed as a poignant champion of liberty in the 18th and 19th centuries As a result he became a symbol during struggles like the French Revolution the American Revolution the American Civil War and the struggle for emancipation Today his dual life as a gladiator and a freedom fighter makes him fascinating to audiences around the world His tale a blend of violent spectacle and civil rights has been adapted for film Stanley Kubrick s memorable Spartacus television Starz s popular television series and in literature appearing in everything from historical novels to comics To this day Spartacus Spartaco is a popular first name in central and southern Italy and his name has been adopted by sports teams like FC Spartak Moscow and FC Spartak Plovdiv The Soviet Union s internal version of the Olympics the Spartakiad also derived its name from Spartacus Attila Emperor of the Hunnic Empire and thus most commonly known as Attila the Hun is an idiosyncratic figure who has become more myth than man not least because much of his life is shrouded in mystery Perhaps the most famous barbarian in history Attila was the lord of a vast empire spanning two continents but he is best remembered for what he did not conquer Though he seemingly had Rome at his mercy in 452 he ultimately decided not to sack the Eternal City and a year later he had suffered a mysterious death What is known about Attila came mostly from Priscus a guest of his court who wrote several books about Attila s life in Greek Unfortunately much of that work was lost to history but not before the ancient writer Jordanes relied on it to write his own overexaggerated account of Attila s life And like their leader the Huns themselves are an instantly recognizable name with mysterious origins most of what is known about the Huns came from Chinese sources thousands of miles and an entire continent away from Italy Naturally the dearth of information and the passage of time have allowed myths and legends to fill in the most important details of Attila s life

The Spartacus War Barry Strauss, 2009-03-17 An authoritative account from an expert author The Spartacus War is the first popular history of the revolt in English The Spartacus War is the extraordinary story of the most famous slave rebellion in the ancient world the fascinating true story behind a legend that has been the inspiration for novelists filmmakers and revolutionaries for 2 000 years Starting with only seventy four men a gladiator named Spartacus incited a rebellion that

threatened Rome itself With his fellow gladiators Spartacus built an army of 60 000 soldiers and controlled the southern Italian countryside A charismatic leader he used religion to win support An ex soldier in the Roman army Spartacus excelled in combat He defeated nine Roman armies and kept Rome at bay for two years before he was defeated After his final battle 6 000 of his followers were captured and crucified along Rome s main southern highway The Spartacus War is the dramatic and factual account of one of history s great rebellions Spartacus was beaten by a Roman general Crassus who had learned how to defeat an insurgency But the rebels were partly to blame for their failure Their army was large and often undisciplined the many ethnic groups within it frequently quarreled over leadership No single leader not even Spartacus could keep them all in line And when faced with a choice between escaping to freedom and looting the rebels chose wealth over liberty risking an eventual confrontation with Rome s most powerful forces The result of years of research The Spartacus War is based not only on written documents but also on archaeological evidence historical reconstruction and the author s extensive travels in the Italian countryside that Spartacus once conquered

A People's History of Classics Edith Hall, Henry Stead, 2020-02-26 *A People s History of Classics* explores the influence of the classical past on the lives of working class people whose voices have been almost completely excluded from previous histories of classical scholarship and pedagogy in Britain and Ireland from the late 17th to the early 20th century This volume challenges the prevailing scholarly and public assumption that the intimate link between the exclusive intellectual culture of British elites and the study of the ancient Greeks and Romans and their languages meant that working class culture was a Classics Free Zone Making use of diverse sources of information both published and unpublished in archives museums and libraries across the United Kingdom and Ireland Hall and Stead examine the working class experience of classical culture from the Bill of Rights in 1689 to the outbreak of World War II They analyse a huge volume of data from individuals groups regions and activities in a huge range of sources including memoirs autobiographies Trade Union collections poetry factory archives artefacts and documents in regional museums This allows a deeper understanding not only of the many examples of interaction with the Classics but also what these cultural interactions signified to the working poor from the promise of social advancement to propaganda exploited by the elites to covert and overt class war *A People s History of Classics* offers a fascinating and insightful exploration of the many and varied engagements with Greece and Rome among the working classes in Britain and Ireland and is a must read not only for classicists but also for students of British and Irish social intellectual and political history in this period Further it brings new historical depth and perspectives to public debates around the future of classical education and should be read by anyone with an interest in educational policy in Britain today

Spartacus Uprising And Soviet Historical Writing Introduction

In the digital age, access to information has become easier than ever before. The ability to download Spartacus Uprising And Soviet Historical Writing has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Spartacus Uprising And Soviet Historical Writing has opened up a world of possibilities. Downloading Spartacus Uprising And Soviet Historical Writing provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Spartacus Uprising And Soviet Historical Writing has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Spartacus Uprising And Soviet Historical Writing. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Spartacus Uprising And Soviet Historical Writing. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Spartacus Uprising And Soviet Historical Writing, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Spartacus Uprising And Soviet Historical Writing has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing

so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Spartacus Uprising And Soviet Historical Writing Books

What is a Spartacus Uprising And Soviet Historical Writing PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Spartacus Uprising And Soviet Historical Writing PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Spartacus Uprising And Soviet Historical Writing PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Spartacus Uprising And Soviet Historical Writing PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Spartacus Uprising And Soviet Historical Writing PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
