Sketches in Lavender, Blue and Green Jerome Klapka Jerome, 1897 The fault that most people will find with this story is that it is unconvincing Its scheme is improbable its atmosphere artificial To confess that the thing really happened not as I am about to set it down for the pen of the professional writer cannot but adorn and embroider even to the detriment of his material is I am well aware only an aggravation of my offence for the facts of life are the impossibilities of fiction
