LP Steffe

Testing Your Grammar Revised Edition:

Testing Your Grammar Susan M. Reinhart, 2002 Testing Your Grammar provides the most comprehensive review of the grammatical structures of English and is excellent practice for students taking English language proficiency exams Testing Your Grammar covers all of the major aspects of English grammar count and non count nouns agreements verb tense modals comparisons complex cause structures that ESL students need to manage in order to improve their English With all units enlarged or significantly modified the new and improved edition of Testing Your Grammar features reworked grammatical explanations and more example sentences so grammar points are easier to understand Other features of the new edition Explanations have been added to the answer key A review test is found at the end of every two units At the end of the book are four examinations that can be used for either pre testing or post testing *Testing Your Grammar* Susan M.

Reinhart, 1985 Testing Your grammar is still the most comprehensive review of the grammatical structures of English and is excellent practice for students taking English language proficiency exams Testing Your Grammar covers the major aspects of English grammar count and noncount nouns agreement verb tenses modals comparisons complex clause structures that ESL students need to master in order to improve their English Each unit contains a pretest a grammar explanation exercises mostly multiple choice and error recognition and a final test except in Unit 11 A review test is found at the end of every two units At the end of the book there are four examinations that can be used for either pretesting or posttesting BOOK JACKET
