Flames After Midnight Monte Akers, 1999 What happened in Kirven Texas in May 1922 has been forgotten by the outside world It was only a co worker s whispered words Kirven is where they burned the Negroes that set Monte Akers on a quest to find out what happened and more important why After years of following clues found in old newspaper clippings NAACP reports and the memories of the few remaining witnesses who would talk Akers here pieces together the story of a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men hunted down and killed blacks while local authorities concealed the real identity of the white probable murderers and allowed them to go free Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths

Night tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime. Sharing never before told details about the night of the crime and subsequent murder trial, it explains how Terry was able to forgive the men who murdered his family and how he even interceded with the prosecutors on their behalf. A powerful example of how the power of forgiveness can bring healing after tragedy and great loss, it shows how God can bring good out of even the darkest tragedies.
